c. Activities of NSRP Members or Sympathizers

[ ] purchased 300 rounds of M-1 carbine ammunition on March 12, 1967, at Waukegan, Illinois. [ ] indicated he wanted to purchase a .38 caliber revolver but was unable to get one. [ ] reportedly is a member of the [ ] which meets in Waukegan every other month.

(CG T-1, 4/3/67)

CG 105-4630

It was learned that several members of the Chicago Branch of the NSRP contacted [redacted] residence in Berwyn, Illinois, on April 17, 1967.

[redacted] stated he is a member of the Ku Klux Klan and stated that everything possible must be done to defeat the Jews from controlling all of the United States. He stated the Jews control the Government and have great power with elected officials because they control the wealth of the United States. The Jews are financing the civil rights movement in this country and he stated he has a plan which he has discussed with EDWARD FIELDS, the National Director of the NSRP, and this plan is to have members of the NSRP buy stock in major companies and by doing this, they will be able to gain control and seize financial power from the Jews. He stated that it would probably take about 25 years to accomplish his program but he is fully convinced that it will work and NSRP members should put the program into effect immediately.

b6  
b7C

[redacted] stated he had an automatic shotgun, a .38 caliber pistol, and a .22 caliber rifle in his possession.

(CG T-1, 4/21/67)

[redacted] holds the position of [redacted] in the Chicago Klavern of the United Klans of America, Knights of the Ku Klux Klan, Realm of Illinois.

(CG T-2, 3/22/67)

[redacted] purchased a .22 caliber handgun and one or two other handguns at a gun sale sponsored by the Little Fort Gun Club at Waukegan, Illinois, on May 21, 1967.

b6  
b7C

[redacted] member of the Chicago Branch of the NSRP, purchased three rifles at a total cost of \$90 at the above gun sale.

CG 105-4630

[ ] purchased a .38 caliber pistol for \$50 at the above gun sale.

(CG T-1, 5/22/67)

[ ] associates with members of the Chicago Branch of the NSRP, although it is not known whether he is actually a member of the NSRP.

b6  
b7C

(CG T-1, 7/29/67)

It was learned that [ ] has recently been attending various meetings in cities and communities neighboring Chicago in an effort to promote former Governor GEORGE WALLACE of Alabama for president of the United States. He has attended meetings in Peoria and Rockford, Illinois, in connection with promoting Governor WALLACE for a place on a national third party ticket.

(CG T-1, 7/19/67)

d. Number of NSRP Meetings

During the period of February 26, 1967, through September 22, 1967, only one formal meeting of the Chicago Branch of the NSRP was held, and nine persons were in attendance at this meeting.

The Chicago Branch of the NSRP has not had any office space in Chicago since February 25, 1967, and since February 26, 1967, NSRP activities in Chicago have been limited mainly to contacts between NSRP members. Since February, 1967, there has been very little NSRP activity in Chicago and this, to a certain extent, has been caused because no Negro civil rights groups have conducted marches into white neighborhoods in Chicago during the summer of 1967 like in 1966 and therefore, the NSRP has not been able to capitalize on a situation of this type to create interest in the NSRP.

(CG T-1, 9/22/67)

e. Objectives

The April, 1967, issue, No. 88, of "The Thunderbolt," which is self-described as "the official White Racial Organ of the National States Rights Party" on page 7 contained a letter written to the editor of "The Thunderbolt" by ROY F. WAKE, 2508 South Enchid Avenue, Berwyn, Illinois. The letter calls for throwing out union officials that give pension funds to "blacks and beatnik scum" for civil riots. It also calls for walking out on sermons and non-participation in church programs which preach race mixing. It also calls for the joining, supporting and working with the National States Rights Party to make this nation a better place to live.

f. Public Appearances and Demonstrations  
By NSRP Members

The Alan Douglas Show was heard over radio station WKYC, Cleveland, Ohio. This program commenced at 11:05 p.m., on April 17, 1967, and concluded at 1:00 a.m., on April 18, 1967.

The Alan Douglas Show is a panel type discussion program which presents controversial matter type programs. Alan Douglas acts as a moderator and usually has two or three experts from a particular field expound a certain controversial subject with another group or one or two individuals acting on the opposite view. However, in this case it was evident that Alan Douglas was not only the moderator of the program but took the opposite view from that of the NSRP. This program followed the usual format of having individuals telephone the station directly or send telegrams to express their views and ask the panelists various questions. This phase of the program is usually the last thirty minutes of the program, as was the case during the NSRP program.

At the inception of the program CHARLES O. FARRIS was introduced as the Chairman of Chapter 49 of the NSRP, Cleveland, and MARTIN BARRETT was introduced as the Midwest Coordinator of the NSRP, Chicago, Illinois. In addition,

CG 105-4630

a Mr. NELSON LUCKY (phonetic) was the third member of the NSRP panel who was introduced solely as a member of Chapter 49, NSRP, Cleveland.

During the early part of the program, FARRIS was asked by DOUGLAS to give an estimate of the number of people in the NSRP, as well as their names. FARRIS replied that he was not permitted to give the number of people in the NSRP nationally or locally but that the NSRP is the "strongest right wing group" and then pointed out that the NSRP is "stronger than the klan."

Following FARRIS' remarks the platform of the NSRP was given by DOUGLAS with comments usually from FARRIS on each particular item. In general it was agreed by FARRIS that the NSRP advocates a white America, with white supremacy; expounds the eventual total segregation of the white race from the Negro and the Jew; the opposition of race mixing between all races and organizations and finally a program whereby all Negroes in the United States would be sent to a country of their choice in Africa and all Jews sent to Israel.

FARRIS and BARRETT during the program continually pointed out that the NSRP is not radical in nature nor do they advocate violence. FARRIS also denied any relationship between the NSRP and any klan organizations.

Throughout the program FARRIS and BARRETT maintained that they did not consider violence as a solution to the Negro problem.

It was noted that the third member of the NSRP panel, NELSON LUCKY, did not actively participate in the discussion and it appeared that he was not well versed on the subject matter by the few comments that he did make.

CG 105-4630

Following the regular panel discussion, the program was thrown open to telephone calls and telegrams from the listening public. None of the callers or telegram writers were favorably impressed by the appearance of the NSRP or what they advocate. The majority of them openly indicated that the members of the NSRP were plainly "ignorant" as well as un-American.

Throughout the program ALAN DOUGLAS continually "tore up" any discussion by the NSRP panel members and for the most part made them look very bad. In general the selection of these three NSRP representatives was very poor and their appearance did more to harm the NSRP movement than it did to help their program. The publicity that they received throughout this particular program was adverse to their motivation for appearing on the program and the sampling of the numerous individuals who called the program and wrote telegrams to the program would indicate that there is little interest in the NSRP movement.

(CG T-3, 4/18/67)

[redacted]  
[redacted] is the Illinois Chairman  
of the NSRP.

(CG T-1, 9/22/67)

It was learned that [redacted] an organizer for the NSRP from Baltimore, Maryland, was in contact with [redacted] on September 15, 1967. [redacted] plans to hold a meeting on September 15, 1967, at the home of [redacted] in Milwaukee, Wisconsin, presumably to discuss the current open housing marches being conducted by the Milwaukee Youth Council of the National Association for the Advancement of Colored People (NAACP) in Milwaukee. [redacted] is in Milwaukee to organize NSRP opposition to these marches and [redacted] has indicated that CONNIE LYNCH, an organizer for the NSRP, and J. B. STONER, National Vice-President of the NSRP, will also travel to Milwaukee. [redacted] is reportedly attempting to rent a hall for the purpose of holding

b6  
b7c

CG 105-4630

a mass rally in Milwaukee, Wisconsin, concerning the current open housing marches held in that city. [ ] wanted NSRP members in Chicago, Illinois, to print some signs which would show opposition to integration and open housing laws and bring these signs to Milwaukee, Wisconsin. Some NSRP members, according to the source, are contemplating a trip to Milwaukee within the next few days to help organize opposition to the open housing marches in that city, although plans are not finalized as yet concerning this matter.

[ ] a member of the NSRP in Chicago, Illinois, traveled to Milwaukee, Wisconsin, on September 15, 1967, and returned to Chicago, Illinois, on September 16, 1967. While in Milwaukee, [ ] was in contact with [ ]. During this time, [ ] was not known to have participated in any type of demonstration or counter-demonstration. It was further learned that [ ] had recently been in contact with [ ] of Milwaukee, Wisconsin. [ ] has been active in the past in organizations opposed to integration. [ ] was also reported to have been in contact with one [ ] from Milwaukee, Wisconsin, who was believed to have joined the NSRP in Chicago, Illinois, several months ago and thereafter returned to Milwaukee, Wisconsin.

b6  
b7C

No information was received which would indicate that any NSRP members from Chicago in addition to [ ] had traveled to Milwaukee.

(CG T-1, 9/15 and 18/67)

## 2. FINANCES

It was learned that a meeting of the Chicago Branch of the NSRP was held on August 27, 1967, at the residence of Reverend [ ] Chicago, Illinois. Nine persons were in attendance at this meeting, including [ ] who is an NSRP member.

b6  
b7C

At this meeting [ ] stated that if ten NSRP members in Chicago would contribute \$150 each to the NSRP, he, [ ], would contribute \$1500. No action was taken on [ ] offer at this meeting.

CG 105-4630

The persons present also discussed where they could hold future meetings and it was decided that they could arrange to rent a room in a hotel for any future meetings that they may decide to hold.

(CG T-1, 8/28/67)

The Chicago Branch of the NSRP is presently in a very poor financial condition and finances continue to be a major problem. Because of their poor financial condition, the Chicago Branch of the NSRP does not maintain any bank account at the present time. The main source of funds is through the mailing of NSRP literature to NSRP members and sympathizers and collections made at NSRP meetings, and there has been no indication that other than small amounts of money have been received through these sources.

(CG T-1, 9/22/67)

### 3. PUBLICATIONS AND PROPAGANDA

[redacted] stated on May 15, 1967, that he, [redacted] in the past week had mailed out 500 copies of the "Prairie Fire" and that the entire issue was devoted to expressing opposition to any firearms control or firearms registration legislation in the United States at this time.

b6  
b7c

(CG T-1, 5/19/67)

The "Prairie Fire" is the official publication of the Chicago Branch of the NSRP, although no issues of this publication have been issued in approximately four months, due primarily to lack of funds by the Chicago Branch of the NSRP.

#### FLORIDA ACTIVITIES

##### Jacksonville, Florida

During the period from April 14, 1967, to July 6, 1967, SV T-1 advised that the Duval County Chapter of the NSRP has been holding regular meetings on Friday nights at 2659 Edison Avenue, Jacksonville, Florida. These meetings have been attended by approximately 15 to 20 active members although there is an estimated enrollment of approximately 25 individuals. The only officer of this chapter is  Chapter Organizer. During this period, 15 open-type meetings have been held at which the estimated attendance ranged from 12 to 37 individuals.

b6

SV 157-871

On May 27, 1967, SV T-2 advised that the NSRP held a fund-raising fish fry on May 27, 1967, at the regular meeting place. COLIN LYNCH was the principal speaker and a Japanese sniper rifle was raffled off at this fish fry. Between 100 and 175 persons attended but only approximately 85 or 90 persons remained for the speech by LYNCH.

On June 24, 1967, SV T-1 stated that a fish fry was held by the NSRP off of Anniston Road in Jacksonville. This meeting was attended by approximately 85 individuals and J. B. STONER was the principal speaker. Another rifle was raffled off at this fish fry in an attempt to raise money.

SV T-1 advised during this period that contributions are requested at all meetings and copies of "The Thunderbolt" are sold by all members. All money is collected by [ ] and no records of the funds are maintained.

On May 25, 1967, SV T-1 advised that at the meeting on May 25, 1967, the "first NSRP report", which will be printed monthly and which will publicize NSRP activities in Jacksonville, Florida, was introduced to the members.

The "Florida Times-Union" issue of August 27, 1967, published in Jacksonville, Florida, contained an article captioned "Right Wing Unit Open, Meet Here" which contained information regarding the National Convention of the NSRP being held in Jacksonville, Florida. This article stated that delegates from 19 states attended the convention and the article quoted W. E. WILSON, owner of an automotive shop on West Beaver Street in Jacksonville and identified as the Florida Chairman of the NSRP, as saying to a newsman "We don't shed any tears over it" regarding the death of GEORGE LINCOLN ROCKWELL, the leader of the American Nazi Party, a characterization of which appears in the Appendix of this report.

MISCELLANEOUS

An article captioned "Gimmicks of Bigotry" by PAUL COATES appeared in the Wednesday, June 28, 1967, issue of the "Los Angeles Times". In this article COATES states that "bigotry is big business...." "While Kosygin was ranting and raving about Israel in the United Nations last week, I got the current issue of a racist sheet called 'The Thunderbolt'..." "I thumbed through the pages and the text had a familiar ring to it...." "I realized 'The Thunderbolt' which.....advertises itself as the white man's viewpoint, was following the same ridiculous communist line as voiced by Premier Kosygin."

The article continued on by quoting remarks made by Premier Kosygin at the United Nations and remarks set out in "The Thunderbolt". Toward the end of the article COATES states, "but from there on, 'The Thunderbolt' and the communist part company, because even a professional liar like Kosygin wouldn't dare charge, as another headline in 'The Thunderbolt' does: 'LSD Comes From Israel'."

SUBJECT sponsored a meeting at the Pick-Congress Hotel, on Saturday, 7 Oct 67. Dr. Edward R. Fields, Director of SUBJECT, was slated to deliver a major address. Reporting Investigator maintained a fixed and moving surveillance of the Hotel and adjacent area.

Reporting Investigator began a surveillance of the area at 1200 hrs. At 1330 hrs, only three white males could be observed in the Roosevelt Room, where a meeting was scheduled to begin at 1300 hrs. It was ascertained that the meeting was called off. Identities of the three men were not known to the undersigned. A box of assorted literature and packs of license plate size metal signs, with "Wallace For President", were noted on a table in the almost deserted room. Individuals in the room left at different times, so room was empty at 1430 hrs.

Plaza Room was kept under surveillance from 1800 hrs. Observed going in the room, were [redacted] (member of SUBJECT), and [redacted] (member of SUBJECT). [redacted] was observed entering room, handing out his anti-Communist literature. Dr. Edward R. Fields entered the room at 1850 hrs, and could be seen taking a seat at the speaker's table, through the open door. An unknown white male wearing an armband with a thunderbolt insignia, acted as a Sergeant at Arms. I was forced to remain at a discreet distance from the room, due to the fact I am known to [redacted] after helping to subdue him, during a battle he had in a Courtroom last year.

Chicago, Illinois  
September 22, 1967

The Chicago Branch of the National States Rights Party (NSRP) does not have office space at Chicago at the present time and NSRP activities at Chicago in the past six months have been limited mainly to contacts between NSRP members in an attempt to increase NSRP activities in Chicago. There are approximately 15 persons in Chicago who attend NSRP meetings or functions and are considered to be NSRP members or sympathizers.

Officers of the Chicago Branch of the NSRP are:

ROY WAKE - Secretary-Treasurer

MICHAEL MURRAY - Sergeant-at-Arms

RAYMOND SOWA - Organizer

ROBERT MICHAEL LANDIS, also known as  
MICHAEL LANDIS and MARTIN BARRETT  
- Illinois State Chairman of the NSRP.

The Chicago Branch of the NSRP has not had any office space in Chicago since February 25, 1967, and since February 26, 1967, NSRP activities in Chicago have been limited mainly to contacts between NSRP members. Since February, 1967, there has been very little NSRP activity in Chicago and this, to a certain extent, has been caused because no Negro civil

rights groups have conducted marches into white neighborhoods in Chicago during the summer of 1967 like in 1966, and, therefore, the NSRP has not been able to capitalize from a situation of this type <sup>to create</sup> ~~the current~~ interest in the NSRP.

The Chicago Branch of the NSRP is presently in a very poor financial condition and finances continue to be a major problem. Because of their poor financial condition, the Chicago Branch does not maintain any bank account at the present time. The main source of funds is through the mailing of NSRP literature to NSRP members and sympathizers and donations made at NSRP meetings, and <sup>there</sup> ~~their~~ has been no indication that other than small amounts of money had been received through these sources.

"The Prairie Fire" is the official publication of the Chicago Branch of the NSRP although no issues of this publication have been issued in approximately four months, due primarily to the lack of funds on the part of the NSRP in Chicago.

Source stated that three members of the Chicago branch of the National States Rights Party (NSRP), along with certain members of the Citizens for Cicero and Berwyn Organization, an organization opposed to any open housing proposals in Berwyn and Cicero, Illinois, met on October 29, 1967, and at Catholic Churches in Berwyn passed out literature which was in opposition to a new Catholic Catechism Book being utilized in Catholic schools which compares Martin Luther King with Christ.

Following this the three NSRP members traveled to Milwaukee to participate in the counter demonstration being staged there by Milwaukee Citizens Civic Voice, (MCCV). The group arrived in the afternoon and proceeded to 1200 North 16th Street, Milwaukee.

Source furnished the following information on  
October 10, 1967:

Dr. EDWARD R. FIELDS, Editor of the "Thunderbolt"  
and Director of the National States Rights Party (NSRP),  
arrived at O'Hare Airport at 10:47 AM, on October 6, 1967.  
Dr. FIELDS, after departing Eastern Airlines flight 292,  
took airport limousine to Pick Congress Hotel, Chicago,  
Illinois, where he registered and was assigned Room 649.

At 7:00 PM, October 6, 1967, [REDACTED]

[REDACTED] both members of NSRP at Chicago, Illinois, met  
Dr. FIELDS at his hotel room. Dr. FIELDS indicated [REDACTED]

[REDACTED] both active members in NSRP at  
Chicago, Illinois, had previously indicated to him that they  
would meet him at the hotel at 7:00 PM, on October 6, 1967.  
Source advised that neither [REDACTED] were in contact  
with Dr. FIELDS on the evening of October 6, 1967. Dr. FIELDS  
indicated to [REDACTED] that he had spent the afternoon  
of October 6, 1967 at Chicago's Public Library, located at  
Randolph and Michigan Street, where he conducted some research.  
Dr. FIELDS also indicated that NSRP's National Headquarters are  
optimistic about purchasing a building in Savannah in the near

b6  
b7C  
b7D

future. Dr. FIELDS indicated an NSRP member, who resides in Florida, has signed the appropriate notes and papers with a bank in Savannah in connection with the contemplated purchase of the building. Dr. FIELDS stated the present facilities utilized by the National NSRP Office at Savannah are not large enough and it is essential that a new location be obtained. Dr. FIELDS further advised that the present landlord of NSRP Headquarters at Savannah has been cooperative and has resisted pressures from the Chamber of Commerce and city officials of Savannah who would like to have NSRP move their headquarters elsewhere.

At approximately 8:00 PM, October 6, 1967,

Dr. FIELDS accompanied by [redacted] left Dr.

FIELDS' hotel room and went to the Tipperary Inn, which is located at the Pick Congress Hotel. Dr. FIELDS, [redacted] and

[redacted] visited and drank at the Tipperary Inn until approximately 10:30 PM, October 6, 1967. During the course of the conversation at the Tipperary Inn, Dr. FIELDS indicated the NSRP has not been successful in presenting their case in Milwaukee, Wisconsin in view of the lack of cooperation from other right-wing conservative groups in Milwaukee. Dr. FIELDS stated that the ultra-conservative groups in Milwaukee have

b6  
b7C  
b7D

failed to achieve any unity of purpose and have been most ineffective in their demonstrations against the Negroes and those who advocate open housing. Dr. FIELDS stated that it was essential that the Chicago Branch of the NSRP obtain permanent facilities to be utilized as a headquarters. He indicated his belief that operating an organization without headquarter facilities is wholly ineffective.

Dr. FIELDS departed Tipperary Inn and returned to his hotel room at 10:30 PM, October 6, 1967, indicating he contemplated doing additional research at Chicago's Public Library during the morning of October 7, 1967. Dr. FIELDS did not indicate during course of conversation on evening of October 6, 1967 of a desire to meet with any particular individual in Chicago.

At 12:30 PM, on October 7, 1967, Dr. FIELDS met [redacted] in the lobby of the Pick Congress Hotel. Dr. FIELDS showed [redacted] the Roosevelt Room at the Pick Congress Hotel which was available for an afternoon meeting of NSRP members if such should be desired. At approximately 1:00 PM, October 7, 1967, [redacted] Illinois State Chairman, NSRP, arrived at the Roosevelt Room where he met Dr. FIELDS as well as [redacted] At approximately 1:45 PM, [redacted] went to lunch and after lunch met Dr. FIELDS in the hotel lobby of the Pick Congress

During the afternoon of October 7, 1967, Dr. FIELDS engaged in a conversation with [ ] (phonetic).

[ ] and reportedly resides in Milwaukee, Wisconsin. [ ] indicated he had

spent two months visiting Europe in 1966. According to source, [ ] indicated to Dr. FIELDS that sending copies of the "Thunderbolt" to Milwaukee in recent weeks was bad

strategy. [ ] advised Dr. FIELDS that copies of "Thunderbolt" sent to Milwaukee contained criticism of the Federal Bureau of Investigation (FBI) and that people reading of this criticism were immediately repulsed by the "Thunderbolt".

[ ] advised that criticism of the FBI would force many people away from the conservative club and serve no worthwhile purpose. According to source Dr. FIELDS appeared to agree with [ ] comments relating to the undesirability of criticising the FBI in future issues of the "Thunderbolt".

b7C  
b7D

b6  
b7C

[ ] also told Dr. FIELDS that [ ] NSRP Official from Baltimore, Maryland, who has been giving speeches in Milwaukee, has not been effective. [ ] stated that [ ] appears to drive individuals away from the conservative group rather than attract them.

b7C  
b7D

At approximately 2:30 PM, October 7, 1967, [ ] [ ] Ku Klux Klan member, Chicago, Illinois, met Dr. FIELDS at the Pick Congress Hotel. [ ] attempted to interest Dr. FIELDS in his plan whereby members of the NSRP would pool their resources in an effort to buy stock of major companies in the United States in an effort to ultimately control large industries. According to source Dr. FIELDS appeared sympathetic to [ ] position, but indicated his belief that it was not practical nor rational.

b6  
b7C  
b7D

At approximately 3:30 PM, Reverend [ ] 4639 West Race Avenue, Chicago, Illinois, arrived at the Pick Congress Hotel where he met Dr. FIELDS. According to source Reverend [ ] has been active in ultra-conservative organizations in the Chicago area for some time and recently has been attempting to assist in the reactivation of NSRP activities at Chicago. Reverend [ ] stated that he had never met Dr. FIELDS before but was entirely sympathetic with the ends desired by Dr. FIELDS and the motives being utilized by Dr. FIELDS to reach these ends.

b6  
b7C  
b7D

At approximately 4:00 PM, October 7, 1967, Dr. FIELDS and [ ] left the group indicating they were going to have an early dinner.

b6

At approximately 7:45 PM, October 7, 1967, the Midwest Conference of the NSRP commenced. In accordance with instructions issued by Dr. FIELDS no one was permitted to enter the room where the meeting occurred, other than those who had the official invitation which was mailed by Dr. FIELDS with the envelope addressed to them in which the invitation was sent. Dr. FIELDS indicated the meeting was to be a private meeting with no visitors permitted.

Source advised that the invitation to the meeting indicated the Midwest NSRP Conference would be held at 7:30 PM, October 7, 1967, at Chicago, Illinois for the purpose of discussing the following matters: 1) The Negro rebellion; 2) prospects for right-wing unity; 3) WALLACE or REGAN which one is best for the right-wing; and 4) NSRP organizational plans.

Source advised that 68 individuals were in attendance at the meeting which terminated at approximately 9:15 PM. He advised [ ] opened the meeting and spoke for approximately 45 minutes. He stated [ ] who is the Chairman of the Chicago Branch

Dr. FIELDS, who spoke for approximately 30 minutes, discussed the Detroit riots and spoke of his belief that Negroes should be shipped back to Africa. He advised that the Detroit riots resulted in crimes of looting, burning, and destruction and that the Negroes were being rewarded for their action by having increased government money furnished to them.

Dr. FIELDS discussed the article in the September 29, 1967 issue of Time Magazine which related to the marriage of Mr. and Mrs. GUY SMITH, Mrs. SMITH having been the former Miss PEGGY RUSH, daughter of Secretary of State DEAN RUSK.

Dr. FIELDS advised that upon hearing of the wedding he sent a registered letter to Secretary of State DEAN RUSK advising him that if his daughter should visit in the State of Georgia that she would be charged with the crime of "Bestiality". Dr. FIELDS complimented the leaders of Chicago's NSRP group and indicated his belief that NSRP membership would increase as soon as a permanent headquarters was obtained where regular meetings could be held. Dr. FIELDS advised that NSRP National Headquarters would furnish National leaders to speak to any NSRP meeting at Chicago in the future if the Chicago NSRP members would so desire. According to source, Dr. FIELDS had indicated prior to the commencement of the meeting that he would not permit any question and answer period.

A collection was taken up at the conclusion of the meeting and approximately \$100.00 was given. Subsequent to the collection [redacted] from Chicago who has been active in ultra-right groups, gave Dr. FIELDS a check for \$100.00.

RACIAL DISTURBANCE  
PROVISO EAST HIGH SCHOOL  
FIRST AVENUE AND MADISON STREET  
MAYWOOD, ILLINOIS  
BEGINNING SEPTEMBER 22, 1967  
RACIAL MATTER

Chief John Tobin, Forest Park, Illinois Police Department, advised on November 15, 1967, that the "Peoples Rights Organization" headed by Lorraine Propelka Forest Park, Illinois, received a permit from the Forest Park, Illinois Park District to hold a meeting in the park building at Belmont Street and Harrison Avenue Forest Park, Illinois, at 8:00 PM, November 15, 1967. Chief Tobin indicated that this meeting was publicized by fliers passed out in front of village churches on Sunday, November 12, 1967. The fliers indicated that the topic of the meeting was "Our Proviso East Problem." The fliers alleged that Forest Park children were suffering educational setbacks due to racial disturbances occurring in the Proviso East High School, Maywood, Illinois, since September 22, 1967. The Proviso East High School services the village of Forest Park, which is located immediately east of Maywood, Illinois, and adjacent to the Proviso East High School property. Chief Tobin said that there were no Negroes residing within the village limits of Forest Park, Illinois.

Chief Tobin advised November 15, 1967, that he attended the above meeting which started promptly at 8:00 PM and dispersed quietly and in order at 10:00 PM, November 15, 1967. Chief Tobin said that the principle speaker was [redacted] of Operation Crescent, a white home owners organization opposed to open occupancy laws. [redacted] was accompanied by three younger individuals which he introduced to his audience as his body guards.

as well as [ ] a committee member of Operation Crescent. Chief Tobin described [ ] speech as being militantly anti-Negro and said that the speech called for the people of the village of Forest Park to replace village officials with people who would guarantee that there would not be an influx of Negroes into the all white community. Dear Friends;

I am sending this letter out to all my friends who are bound together by the bonds of the N.S.R.P. To you, Mr. [redacted], and to you, Mr. [redacted] who are this state's representatives and organizers for our great cause I wish to focus particular attention.

Roy, you particular seem to feel that your job is to establish new chapters and recruit new members. HAS IT NOT EVER OCCURRED TO YOU THAT IT IS AN IMPOSSIBILITY TO ENFOLD EVERY INDIVIDUAL AS A MEMBER?????

GENTLEMEN: don't you realize that if we opened a WHORE HOUSE that we could not expect to entice every male into being a client? Don't you realize that if we started a new church that it would be impossible for us to win every human being into membership? Don't you realize that if we opened a grocery store that it also would be impossible to win every Jew or National customer??? Don't you realize that if we took up a collection for a sure cure for heart disease or cancer that everyone would not contribute????

Don't you gentlemen realize that no matter what the cause it would be impossible to recruit every eligible person?????

What one of you think that all we must do is engage enough members to our cause and ALL THE NIGGERS WILL JUST GO AWAY ALL BY THEMSELVES!!!!!!.

Roy; you seem to have to the attitude that all we must do is get some more members and the Niggers just simply won't exist! All the Jews will simply disappear!!!!!! Roy; when you send me the PRAIRIE FIRE and tell me that some Nigger or Niggers raped a White girl or that some Niggers robbed a cab driver I wonder if you think you have convinced me to the cause of White Man?

Gentlemen: it is not necessary for you to try to convince me of the degraded and debased level of the Nigger, however, I do wish that one or some of you will tell what a good move would be to counter attack the Jew and the Nigger.

All those people who are on your mailing list represent two groups: The Nigger lovers and those already devoted to the cause. The Nigger lovers will not be convinced or recruited to our cause by telling them that another Nigger has raped a White girl. The other group does not need to be convinced because they are here because they have already been convinced. So why keep telling those of us who already know just what a debased creature the NIGGER is.

At times I feel that this is a mutual admiration society as the conversations seem to be how much better we are than the Niggers. I know how much better I am than the Niggers and now that I know this I would like to do something about erasing that Black Cancer off the earth permanently!!!!

We need money! We need money! I keep hearing and seeing this in your words and literature, yet, when it comes time to put into action a method which will put the White Man into complete control of this commodity you run like a bunch of scared rabbits.

I don't think you really want to get rid of the Niggers I think you just want to talk about.

I would like to quote the letter Mr. [redacted] sent to me along with the copy of the Mutual Fund contract he signed. "Hi [redacted] Thanks for following this through. I'm glad to see this project get going. It's about time we began to have something like this going for our side". Signed, [redacted]

b6  
b7C

This man has got some guts when guts are really needed. I'm keeping this letter for all of you to see if and when you might ever want to.

I can't understand how you people can turn down the greatest source of revenue that ever confronted you. I'm very disappointed in all of you.

Give me half a chance and I'll build FURNANCES that will make HITLER'S furnances look like toys!!!!!!

The Jews have proved a method successful and you turned your backs on success! I'm ashamed of you. You consider yourselves leadership in a party intended to save a species from extinction yet you can look a man straight in the eye and tell him that you cannot do that which has already been done. THIS IS LEADERSHIP!

If your kind of leadership is the road to poverty and failure then I don't need you to help me in this direction as I have pretty well equited to find the way to the poorhouse all by my own little ignorant self.

I'm going to take the \$8 a year dues that the membership fee is for the N.S.R.P. invest this in some stock and when the Niggers become too populous I shall use this money to buy my passage out of this country and leave all the Niggers with you because it is apparent that you would rather have a White man leave than to take up some kind of positive action to get rid of the Niggers.

What you fail to realize is that you are not going to have my membership fee any more in the future, unless of course, you would be willing to establish a Mutual Fund.

This last year I have donated over \$100.00 between the local and national organization. Roy, you can substantiate for  $\frac{2}{3}$  of this, can't you? ?????????????? Roy and Mr. Landis: If you refuse to establish this fund then you get nothing from me as I withdraw my membership. If you will establish this fund then from me you will receive my \$8 membership and I will pledge \$25.00 a year to the local chapter, \$25.00 a year to the national organization and at least \$100.00 a year into the mutual fund otherwise you GET NOTHING.

Now, take it or leave it!!!

Mr. [ ] is very much for this project. Mr. [ ] is enthusiastic as you may inspect his own letter if you wish. Dr. Ed Fields recommended this and said he thought it was an excellent idea at the hotel. I was not here for the remainder of the evening and I am sure that none of you asked him his opinion of this as you wouldn't want to hear something recommended that you personally don't like.

Like I said, "Take it or leave it". ALL OR NOTHING!!!!!!

NATIONAL STATES RIGHTS PARTY (NSRP)

The November, 1967, issue No. 94 of "The Thunderbolt", self-described as the official white racial organ of the National States Rights Party (NSRP), a characterization of which is attached hereto in the appendix, has a front-page article headlined "'LOOK MAGAZINE' SAYS AMERICA SHARES GUILT IN DEATH OF 6 MILLION JEWS - Monstrous Plot To Instill Guilt Complex In All Christians To Silence Opposition To Jews."

In commenting on the article, reported as appearing in "Look Magazine of November 4", the article states, among other things, that the Look Magazine report is typical of a propaganda effort to instill a guilt sense in every Christian "that he in some way has committed the sin of persecuting 'God's Chosen People.' "

The article continues a critical commentary on Jews, concluding that the NSRP is "sounding the alarm to the entire nation", to dispell the Jewish propaganda, calling on readers to condemn those national magazines and their advertisers who foster and perpetuate the guilt complex.

Page 2 of the publication continues with articles charging that propaganda in various publications blame all Christians for the World War II deaths of Jews.

This page also carries two photographs of Guy Smith and his wife, Peggy Rusk, daughter of Dean Rusk, Secretary of State, claiming one of the photographs is unretouched and shows Guy Smith to be a dark-skinned Negro, although it notes that national publications generally lightened his color when carrying pictures of the wedding.

Page 3 lists a main article stating that the U. S. Press "screamed" over the sinking of the Jewish Destroyer ELATH

on October 22, 1967, but failed to react similarly to the attack on the USS LIBERTY, a ship bombed during the recent Arab-Israeli War.

The article congratulates the Egyptian Navy on the sinking of the Destroyer Elath, and calls the politicians, who refused to complain about the attack on the USS Liberty, "cringing cowards."

Another article on the same page relates that the U. S. Secret Service suspected the FBI as being involved in the Kennedy assassination.

Page 4 contains a main article headlined "PRESS SUPPRESSES RACE OF CRIMINALS", in which it charges that publications withhold the identity of the race of various individuals who are raping, attacking, and murdering white people. The article indicates that such individuals are Negroes and relates certain reputed articles concerning attacks by Negroes on white people have not been adequately reported in news publications.

The same page contains a large advertisement for mail-order guns, noting that they can be obtained from the Southern Information Service, P. O. Box 3432-A, Birmingham, Alabama, and describing them as fine Christmas gifts. Some of the weapons pictured are the Eagle Carbine Mark II, .45 ACP, and the M98 Mauser, as well as the Remington M11 Riot Gun.

Page 5 contains a picture identified as a group of Jews who marched in New York with the Israeli flag, in honor of Israel's victory over the Arabs, which carries an explanatory sentence that it indicates that the Jews' loyalty is to Israel before the United States.

The same page also contains various news notes from the Middle East War, such as a short article alleging that Jews dynamited four Arab homes; that seven Arab civilians were executed by the Jews on August 10; that Israel hopes to make \$65 million from tourists who must now pay the Jews to visit the holy sites; and that Israel is pumping oil out of Egypt's Abu Suweira Fields as fast as possible.

NATIONAL STATES RIGHTS PARTY

Page 6 is the editorial page of the publication and identifies the mailing address as P. O. Box 6263, Savannah, Georgia, telephone 355-4271, and the Editor as Dr. Edward R. Fields.

The Editorial calls for the Anti-Riot Bill to be stopped in the U. S. Senate, noting the bill was "jammed through" the House of Representatives. The Editor interpretes the bill as preventing the interstate travel of individuals who inform the white people of the dangers from the Jews and the Negroes. It notes that the bill's proponents want no Paul Revere riding ahead, shouting, "The niggers are coming."

The Editor is also critical of President Johnson's support of the bill, and urges readers to communicate at once with their Senators in order to oppose the bill.

This same page also carries a caricature cartoon of Arthur J. Goldberg, U. S. Ambassador to the United Nations, noting that Goldberg is on the National Commission of the Anti-Defamation League of B'nai B'rith.

Page 7 is headlined "CLIPPINGS FROM THE JEW PRESS" and contains various reported extracts, critical of Jews. It relates that the greatest Jew hoax of the century is that they are being persecuted in Russia, and quotes a reputed article in the New York Times which refutes this statement.

Page 8 is captioned "NSRP ACTION NEWS" and is headlined "DR. FIELDS SPEAKS IN NEW YORK AREA".

In an article concerning Doctor Fields's speeches in Chicago, Illinois, and St. Louis, Missouri, an article refers to such rallies as being successful, and comments that, on October 5, when Dr. Fields spoke before the Chicago NSRP, the hall was filled with loyal supporters. It describes the Chicago session as being opened with a prayer by Reverend R. E. Carlock, a local NSRP organizer, who was followed by Roy Wake, leader of the Party in the Chicago area.

The article states that the next speaker at the Chicago affair was Martin Barret, Editor of the Illinois NSRP newsletter, "The Prairie Fire". The article states that Mr. Barret told of new plans to obtain radio time

for the Party in Chicago and that, if successful, it would become a regular weekly program.

The same article notes that Mr. Allen O'Kern organized the St. Louis meeting for Dr. Fields, and that his main talk was on the need for all right-wing groups to come together in union for effective political action.

The article noted that Dr. Fields mentioned that Joe Carroll would soon be visiting both Chicago and St. Louis for the Party.

The same page has an article captioned "REV. LYNCH IN ALA. & MISS." in which it states that a large local organization in Andalusia, Alabama, invited Rev. Connie Lynch, of the NSRP, to speak last month, and that a large crowd turned out in the group's own hall.

The article states that, from Andalusia, Alabama, Rev. Lynch drove to Jackson, Mississippi, for a series of three nightly rallies, which were sponsored by local members, with NSRP Lawyer J. B. Stoner speaking at the last of the nightly rallies.

The article also thanks Mr. Joe Hawkins for the fine work he did in making the property available for the meeting, describing him as an outstanding patriot from whom a lot more would be heard in the near future. It adds that a good number of new NSRP members were enrolled, and states that Jackson would soon become one of our most active NSRP chapters.

Page 8 also contains an article commenting on Dr. Fields's speaking in the New York area, which notes that, on October 28, the NSRP held an important meeting in Union, New Jersey, which occasion it describes as being most pleasant because the host was "Common Sense" newspaper and its staff.

The article states that Bill O'Brien opened the Union, New Jersey meeting; and that next on the program was Mr. Adam White, an NSRP speaker from Virginia, whose main text was the inferiority of the Negro and his relationship to the animal world.

## NATIONAL STATES RIGHTS PARTY

Next on the program, according to the article, was Doctor Fields, whose main text was the dire consequence facing this nation and the world, if we allow the blood of our people to be polluted with the Stone Age African Negro.

The article states that it wished to especially thank Bill Thompson, not further identified, who, it said, did such a fine job in setting up the hall for the meeting. It also thanked Catherine Roberts who prepared the refreshments.

Another article on the same page states that NSRP representative Eddie S. Corley is doing an outstanding job in Greensboro, North Carolina, in carrying the message to the man in the street. The article notes that, last month, Mr. Corley had Reverend Connie Lynch in Greensboro for a number of important public rallies which united the townspeople behind "our movement." The article states that Mr. Corley had more rallies scheduled for November 9 and 10.

Page 9 of the newspaper is a series of photographs, one of which identifies an individual in the picture as Eddie S. Corley, whom it described as carrying a Thunderbolt flag and leading Greensboro, North Carolina, NSRP members in a march against Open Housing. Another photograph pictures Roy Wake, described as the Chicago NSRP leader, opening a meeting with a dynamic address. There is also an individual photograph of Eddie S. Corley, described as NSRP leader in Greensboro, North Carolina, and a photograph of an individual identified as Marvis Brown, described as NSRP organizer in Indianapolis, who is pictured as addressing a recent outdoor rally in that state, which picture also contains a large placard giving the address of the NSRP as Post Office Box 175, Knightstown, Indiana. Another photograph is of an unidentified individual pictured in front of large stacks of mail, who is identified as being inside the Dayton, Ohio, NSRP Headquarters, which it says has a fulltime staff, and that mass mailings went to thousands of Ohio people, inviting them to meetings.

*Indy* Another picture on the same page portrays Doctor Fields, Martin Barrett, and Roy Wake as speakers at the Chicago rally.

Page 10 contains an article commenting on the recent Civil Rights Act convictions in Mississippi, headlining

NATIONAL STATES RIGHTS PARTY

the article with "F.B.I. FRAMEUP IN MISSISSIPPI."

Among other things, it accuses FBI Agents as being trained liars, alleging that, on one occasion, an FBI Agent dared Dr. E. R. Fields to hit him, while another FBI Agent stood out of sight in order to photograph the "assault of a Special Agent of the FBI." The article notes that, after Doctor Fields had the FBI Agent arrested and jailed for disorderly conduct and trespassing, the Agent had the gall to stand up in court and swear under oath that he never made such a statement to Doctor Fields.

Page 11 is, generally, the theatrical section of the newspaper and contains reviews and comments on various entertainment media.

Page 12, the last page, mostly contains reproductions of various forms; such as, an NSRP Membership Application; a subscription blank to "The Thunderbolt", as well as announcement of how to have "The Thunderbolt" mailed to friends, and the prices for extra copies of the newspaper, as well as a list of available books and literature which can be obtained from the publication.

SUBJECT: MILITANT ORGANIZATIONS AND THEIR  
MEMBERS IN CHICAGO, ILLINOIS  
RACIAL MATTERS  
BUDED 1/19/68

By airtel dated 12/18/67 the Bureau instructed the Chicago Office to prepare blind memoranda on each militant organization active now or within the past year in Chicago, Illinois, complete with names and addresses of the "hard core" members, including leaders and officers. These organizations would include such militant organizations as the Student Non-violent Coordinating Committee and Congress of Racial Equality and other similar militant organizations in Chicago.

Bureau instructed that separate blind memoranda be prepared on each "hard core" member setting forth a short summary regarding his background and activities including, of course, any subversive information. Militants who have no organizational affiliation but play a key role in agitating activity during this period should naturally be included.

The blind memoranda should contain public source and lead type information as well as a summary of derogatory information which can be logically included without jeopardizing informants or investigative activity. Terminology used should be such that the memorandum cannot be identified as a Bureau document.

The designated agents assigned to the individual to whose file this memorandum is channelized should review the file and prepare the appropriate blind memorandum consistent with current Bureau instructions outlined in Part II, Section 4, page 34, and Part II, Section 5, page 9 of the Manual of Rules and Regulations.

The blind memoranda should be in straight narrative form couched in language that will neither describe the source nor jeopardize our informants. The Bureau has specifically requested that in those instances where news articles are

utilized, the source or actual articles should not be described in the blind memorandum. All blind memoranda are to be limited to a maximum of two pages.

In those instances where a view of the file indicates the individual is not a leader or officer of a militant organization or a "hard core" member of a militant group or plays a key role in agitational activity and a blind memorandum is not indicated, a memorandum to the file should be prepared setting forth reasons as to why the individual does not meet the specific criteria. Any questions should be resolved in favor of preparing a blind memorandum.

The blind memorandum should be submitted, original and five copies, to SA [ ] prior to 1/2/68, who has the responsibility of coordinating this project and preparing an over-all cover airtel.

As you are aware, the NSRP is a hate-type organization. In the event a current Bureau approved characterization of the organization is necessary, same may be requested of Savannah via routing slip.

THE SOURCE WHICH FURNISHED THIS INFORMATION MUST BE FULLY PROTECTED. It is suggested that appropriate paraphrasing be used to conceal the fact we have ever had access to the bank deposits of the NSRP since the information, if revealed, could logically jeopardize the source.

The fact that the NSRP has in the past repeatedly attempted to embarrass Special Agents and the Bureau, as well as the fact that it almost continuously criticizes the FBI in "The Thunderbolt", should be kept in mind during any investigation. YOU SHOULD ALSO BE AWARE THAT VARIOUS LEADERS OF THE NSRP HAVE SUGGESTED PLANS TO MAKE CITIZEN'S ARREST OF ANY INTERVIEWING SA, TO PHOTOGRAPH ANY SA SURVEILLING THEM, TO HOLD SA WITH USE OF FIREARMS, ETC.

THE NATIONAL STATES RIGHTS PARTY (NSRP)

On December 29, 1965, the Chicago Branch of the NSRP was officially opened when Doctor Edward R. Fields, National Director of the NSRP spoke at a rally held at 2237 North Western Avenue, Chicago, Illinois.

On January 17, 1967, the Chicago Branch of the NSRP was bankrupt and unable to pay rent at the premises at 2237 North Western Avenue, Chicago. The Chicago Branch of the NSRP vacated the premises at 2237 North Western Avenue, Chicago, and ceased to function as an organization on March 1, 1967.

Since March 1, 1967, there has been very little NSRP activity in Chicago and this, to a certain extent, has been caused because no civil rights groups have conducted marches into white neighborhoods in Chicago.

There are approximately 15 persons in Chicago who consider themselves to be NSRP members and meet informally on infrequent occasions.

Officers of the Chicago Branch of the NSRP are:  
[redacted] Secretary-Treasurer; [redacted]  
Sergeant at Arms; and [redacted] Organizer.

In July, 1958, the "Thunderbolt", self-described as the "official racial nationalist organ of the NSRP" stated that former members of the United White Party (UWP) and "States Righters" merged to form the National Organization of the NSRP. National headquarters for the NSRP is located at Savannah, Georgia. The "Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith. The NSRP is an ultraconservative white supremacy organization that endorses anti-Negro and anti-Semitic programs. The Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The Chicago Branch believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

Members of the Chicago Branch of NSRP have distributed "hate" literature in troubled areas of Chicago and have attempted to stir up anti-Negro feelings among Chicago residents.

Lack of funds and problems in maintaining contact with each other has kept the local NSRP unit relatively inactive since March 1, 1957; however, should racial strife increase in Chicago, an increase in NSRP activities may be anticipated.

SUBJECT: BLACK NATIONALIST MOVEMENT  
PUBLICATIONS

By airtel dated 1/24/68 to all offices, the Bureau noted that black nationalist publications and communist publications sympathetic to black nationalism are not being utilized in the field for their intelligence value.

b6  
b7C

As an example they pointed out that "The Worker" of 1/7/68 carried portions of a speech given by Student Non-Violent Coordinating Committee (SNCC) official [REDACTED] on 11/23/67 in which he describes various activities in which black nationalists should engage.

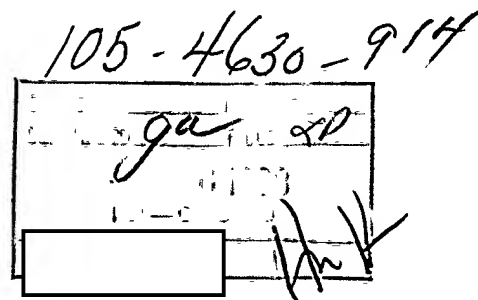

Among the recommended activities was the establishment of "Inner City" newspapers "to provide alternative methods of communication" in view of the hostile attitude of the legitimate press. He cited as an example the then recently established Detroit "Inner City Voice".

The Bureau noted that a review of the one issue of the Detroit "Inner City Voice" available to the Bureau, showed this publication to be a revolutionary, hate-mongering, rabble-rousing publication whose editor has been affiliated with the Revolutionary Action Movement. The issue contained specific information on terrorist methods for use in riots.

recommended the paper be copied nationally.

b6  
b7C

The Bureau instructed that each office is to remain alert for the publication of any black nationalist newspapers, newsletters, or any similar printed material. Each issue of such material is to be submitted to the Bureau with a letter analyzing its contents. This analysis is to include information as to whether cases have been opened on individuals identified as black nationalist leaders, whether those quoted as having made inflammatory speeches have been recommended for the Rabble Rouser Index, whether cases have been opened on black nationalist groups named therein, and what is being done regarding coverage of future black nationalist events. The Bureau noted that the letter should show that full use has been made of the publication from an intelligence standpoint.

The Bureau further noted that it must be understood that such papers and analysis must be submitted to the Bureau by more expeditious means if the facts so warrant. In this regard the Bureau noted that any such paper or publication can achieve notoriety locally or nationally by reason of its inflammatory contents and that the Bureau may receive inquiries from Government officials concerning same.

The Bureau also noted that in addition, each office receiving "The Worker", "The Militant" or other similar Marxist papers or periodicals is to thoroughly review the publication for intelligence material. Any lead material pertinent to the black nationalist investigations of that office is to be acted upon. It will not, however, be necessary to advise the Bureau of the results of the reviews of these publications.

CG 157-2393 SUB 1

Copies of this memorandum are being furnished to pertinent files and agents to whom these cases are assigned are to comply with above Bureau instructions wherever applicable as relates to publications or printed material of these organizations. This list is not all-inclusive and, of course, as new organizations or groups come into existence, any publications emanating from same should be reviewed in accordance with Bureau instructions. Accordingly all investigative personnel should be made aware of Bureau instructions in this matter and any information of this type must be designated for captioned sub file for control purposes.

Each Senior Resident Agent is to conduct a survey of his respective territory for the existence of any publications of the type mentioned above by the Bureau and submit results to captioned file by 2/20/68. All RAs should be aware of Bureau instructions in this matter.

All investigative personnel are to be briefed concerning this matter and in their contacts with all sources be alert for existence of any publications of the nature mentioned above. If any such publications are discovered, efforts must be made to determine frequency and source of publication.

Captioned matter is coordinated by the S-5 Squad.

Recipient case Agents are to submit appropriate memorandum to captioned file by 2/20/68 as to any printed material of this nature being published by these organizations. //

As you are aware, the NSRP is a hate-type organization. In the event a current Bureau-approved characterization of the organization is necessary, same may be requested of Savannah via routing slip. If additional inquiry or check of sources regarding the individual check-writer is made of Savannah, it should be by letter under the individual caption.

THE SOURCE WHICH FURNISHED THIS INFORMATION MUST BE FULLY PROTECTED. It is suggested that appropriate paraphrasing be used to conceal the fact we have ever had access to the bank deposits of the NSRP since the information, if revealed, could logically jeopardize the source.

The fact that the NSRP has in the past repeatedly attempted to embarrass Special Agents and the Bureau, as well as the fact that it almost continuously criticizes the FBI in "The Thunderbolt", should be kept in mind during any investigation. YOU SHOULD ALSO BE AWARE THAT VARIOUS LEADERS OF THE NSRP HAVE SUGGESTED PLANS TO MAKE CITIZEN'S ARREST OF ANY INTERVIEWING SA, TO PHOTOGRAPH ANY SA SURVEILLING THEM, TO HOLD SA WITH USE OF FIREARMS, TO ASSAULT SAs, ETC.

No copy of this letter is being maintained by Savannah, although a copy of the attached instrument is maintained in Savannah file 157-871, together with a cover memo of the same date as this letter. The original of the attached instrument is no longer available to the Savannah Office.

DETAILS:

A characterization of the National States Rights Party (NSRP) is contained in the Appendix of this report.

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

The April, 1967, issue of "The Thunderbolt", self-identified as the publication of the NSRP, announced that the National headquarters of the NSRP as well as the offices of "The Thunderbolt" were moved from Augusta, Ga., to Savannah, Ga., effective before the end of March, 1967. The notice related that the Savannah mailing address would be P. O. Box 6263, Savannah, 31405; telephone number 355-4271.

On March 29, 1967, [redacted] Savannah, Ga., advised that he had leased the one story apartment structure located at 8 Montgomery Crossroads, Savannah, to JESSE B. STONER for use as an attorney's office and to be utilized as the headquarters of the NSRP. The lease was effective April 1, 1967.

b6  
b7c

On January 30, 1968, SV T-1 advised that the permanent employees at the National office of the NSRP, Savannah, consisted of JESSE B. STONER, PETER XAVIER, and two female clerical employees, who had been recently hired. SV T-1 identified XAVIER as an elderly individual who did most of the errand jobs.

B. Charter Information

On November 26, 1957, SV T-2 advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the 'United White Party'". According to the article, the party was formed at a recently held meeting in Knoxville at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

SV 157-871

The July, 1958, issue of "The Thunderbolt", self-described at that time as the "official Racial Nationalist Organ of the National States Rights Party", reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with National offices at P. O. Box 261, Jeffersonville, Indiana.

In November, 1958, SV T-3 related that the NSRP was composed of past members of klan-type organizations and notorious anti-Semites.

Subsequent moves of the National offices of the organization have been announced in "The Thunderbolt":

June, 1960            Birmingham, Alabama

July, 1965           Augusta, Georgia

#### C. Objectives

The February, 1967, issue of "The Thunderbolt" listed some of the NSRP membership objectives as belief in "Christianity, the white race and its preservation throughout the world, only white race immigration, the complete separation of the races to preserve white civilization, a free white America..." It was noted members were against "Jews, Communism, monopoly, race mixing and internationalism". On February 9, 1968, SV T-4 advised that the NSRP continued its vociferous opposition to "anything Jewish or Negro" through use of speakers like J. B. STONER, EDWARD FIELDS and CONNIE LYNCH who spoke for the NSRP throughout the country. SV T-4 noted that the organization appeared to be more successful and active in areas of racial unrest.

#### D. National Officers

"The Thunderbolt", February, 1968, issue lists the National officers as:

Chairman            NED DUPES (Knoxville, Tennessee)

Vice Chairman    J. B. STONER (Savannah, Georgia)

SV 157-871

Organizer R. D. ELDRIDGE (Dayton, Ohio)  
Secretary BERNICE SETTLE (Knoxville, Tenn.)  
Director EDWARD R. FIELDS (Charleston, S. C.)

NATIONAL CONVENTION  
JACKSONVILLE, FLORIDA

On August 28, 1967, SV T-10 advised that the National Convention of the NSRP was held on August 26, 1967, at 920 Main Street, Jacksonville, Fla.. The Convention was in session from 1:00 p.m. to 5:00 p.m. and from 7:00 p.m. to 10:00 p.m. on this date and approximately 125 people were in attendance.

Among the speakers were NED DUPES, NSRP National Chairman, who was in charge of the Convention; NEUMAN BRITTON

SV 157-871

and CONNIE LYNCH of California; J. B. STONER and EDWARD FIELDS as well as [ ] of Maryland and [ ] of Ohio.

b6  
b7c

LYNCH's speech called for continued opposition to integration in the United States and calld for white people to organize to stop the Federal Government from continuing to support the Negroes against the white people. In referring to these Federal officials, LYNCH stated that when the NSRP takes power they will "hang them all from the Presidency down through Congress. Their heads will be on poles from coast to coast and from border to border". He said the white people must arm themselves to that they will be in a position to protect themselves and their families from Negroes.

Among the things stated by J. B. STONER in his talk was the claim that the Jews were responsible for financing the Civil Rights movement in the United States. He also stated that the Federal Government wished to destroy klan organizations and the NSRP; that although people now talk about the 6,000,000 Jews killed in Germany by GOEBBLES, the NSRP will make GOEBBLES look like a Sunday School teacher. EDWARD R. FIELDS addressed those present and stated among other things that all NSRP members and white people should keep their guns in order to protect themselves. He called for the NSRP to organize more people to fight against integration and stated that the NSRP must increase its membership in the northern areas.

The "Florida Times-Union" newspaper dated August 27, 1967, at Jacksonville, Florida, contained an article captioned "Right Wing Unit Opens Meet Here" which contained information regarding the National Convention of the NSRP being held in Jacksonville. This article stated that delegates from 19 states attended the Convention.

### III. ACTIVITIES BY STATES

#### Florida

During 1967, SV T-5 advised that the meetings of Chapter 17 of the NSRP, Dover, Florida, were generally held weekly at a location across from Martin's Store located on Florida State Highway #474. About ten members are active.

According to SV T-6 who furnished the information during 1967, Chapter 16 of the NSRP holds weekly meetings at 1832 Dean Road, Jacksonville, (Duval County), Florida. SV T-6 also said that Chapter 1 of the NSRP also holds weekly meetings and meetings are held at 12659 Edison Avenue, Jacksonville. The total active membership of both chapters is estimated at about 25.

On July 31, 1967, SV T-5 advised that on July 29, 1967, the local NSRP held a fund raising fish fry at Jacksonville, Florida, which was attended by about 90 people. Another fish fry was again held on August 22, 1967, and was attended by about 100 people.

On September 27, 1967, SV T-16 advised that on September 22, 1967 and September 23, 1967, open rallies of the NSRP were held at 922 Jones Road, Jacksonville, and about 75 people attended each rally.

b6  
b7c

In latter July, 1967, SV T-7 advised that regular weekly meetings of the Fort Lauderdale, Florida, NSRP chapter were held each Sunday night at the Abernathy Paint and Body Shop, 1927 Southwest First Avenue, Fort Lauderdale. Attendance at these meetings is low. About five people, for example, attended the July 9, 1967, meeting.

On September 21, 1967, SV T-8 advised that according to information furnished in the "NSRP Report", a publication of the NSRP, Jacksonville, Florida, chapter, a new chapter was to be started at St. Augustine, Florida, with meetings to be held in the residence of Mr. and Mrs. JOHN HORNSBY.

On October 14, 1967, SV T-9 related that [redacted]  
[redacted] is a racial agitator in the Vero Beach, Florida,

SV 157-871

area, as well as an NSRP member. On November 7, 1967, SV T-17 said that [ ] had related that day he was thoroughly disenchanted with NSRP; was dropping all activities of that organization; and that he and former members of the NSRP were returning their allegiance to the KKKK (See Appendix for characterization).

On October 23, 1967, SV T-17 related that a proposed NSRP rally scheduled at Mascotte, Florida, on October 21, 1967, was cancelled when no audience appeared.

During October, 1967, SV T-18 related that about 200 people attended a public rally of the NSRP held at Turkey Creek, Florida, on October 27, 1967, and again on October 28, 1967. According to SV T-18, an earlier rally on October 26, 1967, had been attended by about 40 people. He said that J. B. STONER and CONNIE LYNCH were the main speakers.

b6  
b7C

During December, 1967, SV T-9 related that an NSRP rally originally scheduled for November 30 and December 1, 1967, was held December 7 and 8, 1967, at Winter Beach, Florida, and drew about 25 people on each day. CONNIE LYNCH, J. B. STONER, and [ ] were the main speakers and spoke generally on the hatred of the Jews and Negroes.

#### Illinois

On January 26, 1968, SV T-10 related that the Chicago, Illinois, branch of the NSRP does not have any office or headquarters space at Chicago since they vacated the office space utilized by them on February 26, 1967, due to a lack of funds.

SV T-10 said that the membership of the Chicago Branch of the NSRP is believed to consist of about 15 individuals and that several members have indicated during the past two months a need for additional members if the Chicago Branch is to survive.

SV 157-871

SV T-10 advised on October 31, 1967, that three members of the Chicago Branch of the NSRP traveled to Milwaukee, Wisconsin, to participate in the counter-demonstrations being staged there by the Milwaukee Citizens Civic Voice. The counter-demonstrations included NSRP members and included the chairman of Operation Crescent of Chicago, a white home owner's organization opposed to open occupancy laws. SV T-10 noted that this was during the racial unrest in Milwaukee.

On October 10, 1967, SV T-10 related that on October 7, 1967, a so-called "Mid-West Convention" of the NSRP was held at Chicago and was presided over by Dr. E. R. FIELDS, Director of the NSRP. SV T-10 said this was a private meeting and was attended by about 68 individuals.

#### Indiana

During September, 1967, the Indiana State Police advised that on September 30, 1967, an NSRP rally was held at Dillsboro, Indiana, on the farm of [redacted]. Speakers at this rally were [redacted] of Baltimore, Maryland, CONNIE LYNCH and [redacted] who all spoke along an anti-Negro theme urging that white people arm themselves against Negroes coming into white neighborhoods during racial riots and demonstrations. About 15 people attended this rally.

#### Kentucky

On October 9, 1967, [redacted] RFD, Irving, Kentucky, advised that on October 7, 1967, an NSRP rally was held on the farm of [redacted] Estill County, Kentucky, which was attended by about 70 people. [redacted] National Organizer for the NSRP, and CONNIE LYNCH of the NSRP, were the speakers.

#### Louisiana

On August 21, 1967, SV T-19 related that on August 12, 1967, klansmen from out of town had a private meeting in Bogalusa, Louisiana, and one of the attendees was identified as J. B. STONER of NSRP. The purpose of this meeting was to form a new klan group, and all of the groups were to cooperate to assist in the election of GEORGE WALLACE of Alabama for President of the United States.

SV 157-871

Maryland

On November 8, 1967, SV T-20 related that the local Baltimore, Maryland, NSRP had no formal headquarters but continued to use the mailing address of Post Office Box 442, Baltimore, Maryland.

On June 10, 1967, Officer [redacted], Baltimore Police Department, advised on June 9, 1967 that the NSRP held an open meeting attended by about 45 people for the announced purpose of obtaining support for WILLIAM M. BRAILSFORD and ROBERT ROBUSTO, candidates for election to the Maryland Constitutional Convention. Officer [redacted] said "the usual racial slurs" were directed toward the Jews and Negro people.

b6  
b7C

On June 10, 1967, Lieutenant [redacted] Baltimore, Maryland Police Department, advised that another public NSRP rally had been held that night in Baltimore, and was attended by a varying number of people with an estimated maximum of 175. Lieutenant [redacted] said that it was held along the same lines as the previous meeting.

It is noted that periodic issues of "The Thunderbolt" have publicized various public rallies and demonstrations held by the Baltimore NSRP.

Mississippi

On November 7, 1967, [redacted] Collinsville, Mississippi, advised Special Agents of the FBI that he knows of 15 NSRP members in the State of Mississippi. He said no regular meetings were held, although he claimed to receive \$70.00 a month as a "salary" from the NSRP of Knoxville, Tennessee.

b6  
b7C

Missouri

On October 9, 1967, SV T-12 related that about 40 people attended NSRP meeting held at St. Louis, Missouri, on October 8, 1967, at which Dr. FIELDS of the NSRP addressed the public which was present.

SV 157-871

North Carolina

On October 17, 1967, SV T-13 related that [ ] Chairman of the NSRP in the Greensboro, North Carolina, area, was among those attending an open meeting of the NSRP held on October 15, 1967, at which about eleven people were present. According to SV T-13, [ ] announced at this meeting there were supposed to be two units of the NSRP in the area, but because they were so small, future meetings would combine the units.

b6  
b7C

On October 23, 1967, SV T-13 related that a closed NSRP meeting was held in Greensboro on October 19, 1967, at which 11 people were present.

On October 21, 1967, SV T-21 related that ten members of the NSRP picketed that day the Greensboro, North Carolina, Daily News building in a protest against open housing.

During November, 1967, SV T-21 related that on November 9 and November 10, 1967, NSRP public meetings were held at Stokesdale, North Carolina. He said about 20 people were present the first night and about 45 people were present on the second night. CONNIE LYNCH was the main speaker giving the "usual harangue" against Negroes and Jews.

On January 24, 1968, SV T-21 advised there had been no NSRP activity in the Greensboro, North Carolina, area since November, 1967, when the two open meetings were held in Stokesdale, North Carolina.

Ohio

On November 2, 1967, SV T-22 advised that [ ] a former local official of the klan in Cleveland, Ohio, had been unsuccessfully attempting to establish NSRP unit in Cleveland. According to SV T-22, the individuals who are obtained as members through the mail are apparently coordinated with NED DUPES, NSRP National Chairman, Knoxville, Tennessee, and the Savannah, Georgia office of the NSRP.

b6  
b7C

SV 157-871

On November 7, 1967, SV T-14 said that the Dayton, Ohio NSRP Chapter holds meetings every other Sunday at [redacted] Dayton, and about 12 to 20 people attend regularly. According to SV T-14, [redacted] NSRP National Organizer, actually controls and runs this chapter although the chairman is [redacted].

b6  
b7c

On November 7, 1967, SV T-14 related that on November 5, 1967, the NSRP "Ohio State Convention" was held at Dayton, Ohio, and it was presided over by [redacted]. About 21 adults attended and some discussion occurred about expressed hopes that six NSRP districts could be established in Ohio, although it was apparent that this talk was merely planning. Other talks were of the hate-type speeches against Negroes and Jews.

#### Texas

The March, 1967, issue of "The Thunderbolt" related that J. B. STONER spoke before a meeting of the party in Houston, Texas, on February 20, 1967, and at Rice University, Houston, Texas, on February 21, 1967. The article stated that STONER proclaimed the program of the NSRP and how it plans to solve America's problems when elected to power. This article also stated that Chapter Leader ANDREW J. STOCKTON called the Houston meeting; and that STONER spoke at Rice University at "the invitation of student groups".

#### Washington

During latter 1967, SV T-23 advised there had been no meetings of the NSRP at Spokane, Washington, in more than a year and that the organization had ceased to exist locally.

SV 157-871

IV. FINANCES

On February 1, 1968, SV T-24 advised that on April 12, 1967 a checking account had been opened at the Liberty National Bank and Trust Company, Savannah, Georgia, under the name of the National Executive Committee of the National States Rights Party, P. O. Box 6263, 8 Montgomery Crossroads, Savannah, Georgia. According to SV T-24, the initial deposit was \$1,196.25, and the authorized signatures entitled either J. B. STONER, Vice Chairman, or Dr. EDWARD R. FIELDS, Director, to write checks on this account. The account was maintained during the intervening period, with a monthly balance of about \$1,000, with several large deposits of numerous small checks from all over the country as well as cash being made during each month.

According to SV T-24, on July 7, 1967, another checking account was opened at the same financial institution under the name of "The Thunderbolt", same address and authorized signatures. This account was opened with a cash deposit of \$233, but two more deposits of small checks totaling about \$1,500 were made by the end of July, 1967. This account maintains a somewhat higher balance and has increased gradually.

SV T-24 said that as of January 31, 1968, the balance in the first account was \$1,308.25; the balance in the second account was \$2,672.36.

SV T-24 related that the funds were sometimes transferred from one account to the other and that the expenditures appeared to be for such matters as printing, bills, postage, utility and rent for quarters, wages of employees, traveling expenses and other minor expenditures. It was noted that STONER and FIELDS appear to be the only NSRP officials regularly drawing funds from these accounts by checks marked payable to them, noting that FIELDS appeared to be drawing an average of about \$100 to \$125 a week, and STONER a lesser amount, with the latter's checks being marked "Legal Fees". According to SV T-24, checks were infrequently issued to CONNIE LYNCH in amounts less than \$100 generally and were usually marked "Traveling Expenses".

It is noted that the January, 1967, issue of "The Thunderbolt" announced the rise in annual subscription prices from \$3 to \$5.

SV 157-871

b6  
b7c

V. PUBLICATIONS

It is noted that "The Thunderbolt" is self-identified as the publication of the NSRP and is published monthly.

On August 17, 1967, SV T-25 advised that [redacted] leader of the Fort Lauderdale Chapter of the NSRP at that time, was a partner in the ownership and operation of the Boulevard Press, which company owned a printing press used primarily to print racist literature.

On July 25, 1967, SV T-15 advised that the "NSRP Report", a local publication, is financed and printed by Chapter I of the NSRP at Jacksonville, Florida. According to SV T-15, this publication is sent to all chapter members.

VI. MISCELLANEOUS

On January 29, 1968, SV T-1 related that he estimated there were about 24 to 3,000 mail-correspondent type members and contributors of the NSRP located throughout the country, noting that this estimate was based on an observation of a list of names of these individuals maintained by J. B. STONER. He said that by "members" he meant those individuals who paid \$10 per year dues, noting that he had no way of telling the actual active members and he described a contributor as an individual who regularly, usually monthly, gave a sum of money to the organization. SV T-1 said he estimated the total subscription list of "The Thunderbolt" to be about 6,000 at this time. He noted that it was his understanding that the membership list was constantly changing due to the fact a subscriber might become a contributor and a contributor might become a member or vice versa. SV T-1 related that it was his understanding also that the NSRP desired to relocate its National Headquarters Offices which he understood were presently in Savannah, Georgia. He said that STONER had mentioned he was searching either for another location in Savannah or might possibly relocate somewhere in Florida.

On September 26, 1967, SV T-26 advised that he had observed that a NSRP membership card was mailed to a member from NED DUPES, National Chairman, P. O. Box 2161, Knoxville, Tennessee.

SV 157-871

"The Sun", a daily newspaper published at Baltimore, Maryland, reported on December 7, 1967 in a story datelined at Annapolis, Maryland, December 6, that the Maryland Court of Special Appeals had on December 6, 1967 examined the convictions, fines and prison sentences of three leaders of the NSRP who were held responsible for a near-riot at Patterson Park in Baltimore in the summer of 1966. The NSRP leaders convicted in this matter were JOSEPH CARROLL and RICHARD B. NORTON, Maryland NSRP officials, as well as CHARLES CONLEY LYNCH, also of the NSRP.

During 1967 a large advertisement appeared in various editions of "The Thunderbolt", noting that a number of types of rifles could be ordered through the mail by directing the order to "Southern Information Service, P. O. Box 3432-A, Birmingham, Alabama 35205", which post office box, according to SV T-27, is registered to CARL W. RIDOUT, JR., 112 South 22nd Court, Birmingham, Alabama.

It is noted that RIDOUT was formerly identified by "The Thunderbolt" as an official (Treasurer) of the National NSRP.

Gentleman;

The enclosed letter has been sent to every chapter of your organization in the U.S. Perhaps one man among you has enough sagacity to encourage putting this into operation.

With 30,000 members in your organization and 30,000 in another organization it would not take long for two organizations to take complete control.

Is not your objective the obtaining control of political policy???

Stickney, Ill. 60405

The Jew is my shepherd, and I will work in the fields of his domain and retain no gain, for he is the Lord and master of our economic system.

In most every area of our lives, the Jew holds some influential position. He holds these positions because he has gained control of our wealth. He has gained control of our wealth over a period of a few years in a very simple procedure. He has done this as individuals and as groups.

He has become landlord of a good portion of real estate by the simple method of buying that property. He set his target of controlling our economic system and has accomplished this feat by the same simple method. He has purchased 51% of the outstanding number of shares of a particular corporation. In cases where he has been unable to purchase 51%, he has purchased a quantity of shares that permits his vote in that corporation's policy to be effective.

We must admit three facts: (1) He does control our economic system and his voice is influential in our country. (2) He has collaborated with other Jews in this endeavor. (3) He has succeeded.

If we hope to rid our country of Niggers and Jews, then we must admit that it is going to require a great deal more money than an occasional \$10.00 donation from a few thousand people. It is going to require a considerable sum to put men in office throughout the nation that will follow our policy plus enough left over to build the ships that will transport the Niggers and Jews out of here.

Now is the time for all White Men to come to the aid of their party. H.S.R.P. members, we must mutually, obviously agree that we are in desperate need of two objectives: (1) We need money now and in the future in much greater quantities than donations can provide. (2) We need policy influence.

White Men, we must work together. There is no source of income great enough to meet our needs or reliable enough to achieve our goals except to purchase large amounts of stock in all of the great corporations in America. There is no method of acquiring political control of government or the corporations until we become owners of a large portion of our economy.

Some of you may state that this cannot be done, but let me remind you that the Jewish population has been and still is much smaller than we are, and if we admit that they can accomplish that which we cannot, then we admit that the Jew is superior. If you admit this, then why are you a member?

Members, I suggest that each Chapter form a mutual investment group. Each member will donate the amount of the price of the stock that your chapter has agreed to purchase. Your chapter will then buy that number of shares in that corporation.

The dividends or proceeds that are received will then be given to the National Headquarters of the H.S.R.P. At designated intervals, such as every three months or every six months, each member of each chapter will be required to donate enough to buy one more share. This process will continue until the world is once again owned and controlled by the White People who have built this civilized society in which we live.

The more money that becomes available, as more stock each year is acquired, the greater amount of work our organization can proceed to do toward complete separation. The more money available the greater number of local government officers can be elected. As the number of the sons of White People will be willing to share their racial view in public, the greater number of members we will acquire, as they will be prone to joining the winning team. The greater the number in our team, the quicker the control and ownership of our world will become a reality.

This letter is being sent to every state headquarters and everyone I know.

Have you heard the latest banking news? The state of Ill. will not permit community banks to borrow money from the Federal Reserve board of from the state reserver, until they have integrated their staff and lending policies.

This will become effective in all states eventually. Unless it is stopped by an equally potent organization.

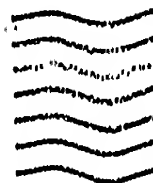

Money is their weapon: we cannot fight money with peanuts. If we hope to win we must use an equal weapon.

CONTROL THE MONEY!

Need I say more.

In April, 1967, [ ] contacted [ ]. During this meeting, [ ] stated that he recently had been in touch with Dr. EDWARD R. FIELDS relative to starting a NSRP Chapter in Chicago. [ ] indicated that FIELDS invited him [ ] to speak at a forthcoming NSRP Convention. During this contact with [ ] also related certain personal views concerning the financial and political structure of the United States. [ ] stated that everything must be done to defeat the Jews and their control of the United States. According to [ ] the Jews control government and have great power with elected officials because they control the wealth of the United States. He stated the Jews are financing the civil rights movements. He stated that he had discussed a plan with Dr. FIELDS to have NSRP members buy stock in major companies in an effort to gain control and seize financial power from the Jews. He stated it would be a long pull, perhaps 25 years before real progress in the financial circles would be felt but insisted that NSRP members and sympathizers must start.

(CG T-5, 7/14/67)

On August 27, 1967, a meeting of the Chicago Branch of the NSRP was held. [ ] attended this meeting and stated that if ten NSRP members in Chicago would contribute \$150 each to the Local Branch of the NSRP, he [ ] would contribute \$1,500.

(CG T-5, 8/28/67)

CG 157-1443

On October 7, 1967, [ ] met with Dr. FIELDS at the Pick Congress Hotel, Chicago, Illinois. [ ] attempted to interest Dr. FIELDS in his plan whereby members of the NSRP would pool their resources in an effort to buy stock of major corporations in the United States in an effort to ultimately control large industries.

(CG T-5, 10/10/67)

On October 15, 1967, [ ] sent an anti-Negro, anti-Semitic letter to members of the NSRP in Chicago. In this letter, [ ] wrote "Gentlemen: It is not necessary for you to try to convince me of the degraded and debased level of the Nigger, however, I do wish that one or some of you will tell what a good move would be to counterattack the Jew and Nigger. All those people who are on your mailing list represent two groups: The Nigger lovers and those already devoted to the group. The Nigger lovers will not be convinced or recruited to our cause by telling them that another Nigger has raped a White girl. The other group does not need to be convinced because they are here because they have already been convinced. So why keep telling those of us who already know just what a debased creature the NIGGER is...

"At times I feel that this is a mutual admiration society as the conversations seem to be how much better we are than the Niggers. I know how much better I am than the Niggers and now that I know this I would like to do something about erasing that Black Cancer off the earth permently!!!

"We need money! I keep hearing and seeing this in your words and literature, yet, when it comes time to put into action a method which will put the White man into complete control of this commodity you run like a bunch of scared rabbits...

"I don't think you really want to get rid of the Niggers. I think you just want to talk about...

CG 157-1443

"Give my half a chance and I'll build FURNACES that will make HITLER'S furnaces look like toys!!!!!!....

"I'm going to take the \$8 a year dues that the membership fee is for the N.S.R.P. invest this in some stock and when the Niggers become too populus I shall use this money to buy my passage out of this country and leave all the Niggers with you because it is apparent that you would rather have a White man leave than to take up some kind of positive action to get rid of the Niggers...

"What you fail to realize is that you are not going to have my membership fee any more in the future, unless of course, you would be willing to establish a Mutual Fund..."

(CG T-5, 11/9/67)

On February 13, 1968, CG T-5 advised that [ ] [ ] has made no contact with the Chicago Chapter of the NSRP since the latter part of October, 1967. For this reason, the NSRP membership no longer considers [ ] to belong to their organization.

### III. MISCELLANEOUS

#### A. Interview

On March 7, 1967, representatives of the FBI interviewed [ ] [ ] Berwyn, Illinois, relative to his alleged membership in the UKA, KKKK. During the course of this interview, [ ] advised as follows:

CG 157-1443

[ ] advised he has never been a member of the UKA, KKKK, or any other Klan organization. [ ] stated, however, that while employed at [ ] Lyons, Illinois, he occasionally frequented the 19th Hole Bar and Restaurant, situated immediately across from [ ]

b6  
b7C

[ ] During his visits there during the summer of 1966, he became acquainted with a number of individuals who were members of the UKA, KKKK, Realm of Illinois, whom he declined to identify. He further related that he was sympathetic with their views regarding the alleged inferiority of the Negro race and agreed with them on the necessity for continued segregation in order to preserve the traditional values of our Christian heritage.

He stated, moreover, that should the inevitable race war erupt during his lifetime, he would feel morally compelled to fight with the Caucasian minority against the attempts of the colored majority. The use of violence, however, according to [ ] would be only utilized as a last resort and solely as a means of self-defense. [ ] stated that although, as noted above, he was sympathetic with the Klan cause, he chose not to become a member of such organization because of their past history of violence as a solution to race problems.

b6  
b7C

[ ] related that during his discussions with members of the Illinois Realm he had come to admire their analysis of the current race situation and specifically the inferiority of the Negro race. Such inferiority, he believed, was evidenced by the failure of the Negro race to progress beyond the most primitive existence in their native surroundings. Their language lacks any of the sophistication commonly found in any of the languages of Asia or Europe. He noted their culture had uniquely failed to produce any religious beliefs beyond the most primitive forms of ancestor and nature worship. [ ] stated that the newspapers and mass media generally failed to meet their responsibilities of providing the readers with an accurate analysis of the race situation in this country and felt that one of the few spokesmen for the white man in America was the Klan.

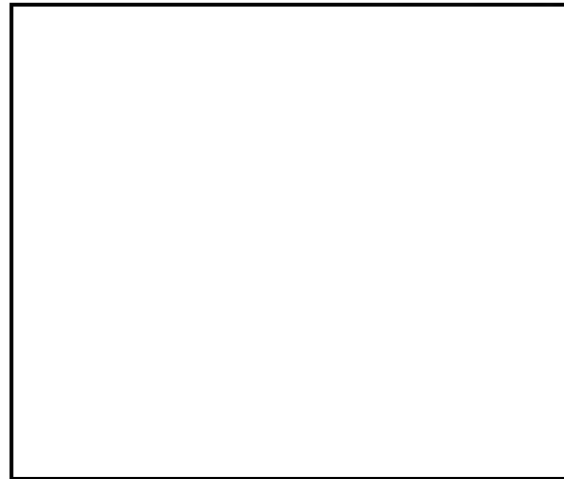

[ ] concluded the interview reiterating once again that he was not a member of the Klan and would not join the Klan due to their past history of violence, but would continue to remain sympathetic with their cause and beliefs.

Birmingham, 3/31/64.

On 2/20/68, Mayor GEORGE SEIBELS, Birmingham,  
Alabama, made available to the Birmingham Office of the  
FBI a 16 page brochure or magazine, which he had recently  
received by U. S. Mail. Mayor SEIBELS also made available  
the manila envelope in which this brochure was mailed.  
Xerox copies of the address shown on the envelope and  
Xerox copies of the brochure enclosed in said envelope  
were made by the Birmingham Office and Birmingham is  
herewith enclosing one Xerox copy for the Chicago Office  
and one Xerox copy for the Savannah Office of these two  
above-mentioned items.

For information of Chicago and Savannah, referenced

set forth considerable information in regard to one MAYNARD

which group had Post Office Box 1785, Chicago 90, Illinois.  
It is to be noted that page 16 of the enclosed brochure

It was also reflected that the purpose of NELSEN forming

it was primarily a "one-man organization" which had failed to "get off the ground", and did not attract any interest or following.

In reference to memo dated 2/26/64, it was reflected that on 2/6/64 a meeting had been called under the name of the NSRP at Chicago, Illinois, at approximately 8:15 p.m. This memo reflected that the principal speaker of the evening was Dr. EDWARD FIELDS, National Leader of the NSRP, and that about 60 persons were present at this meeting, one of whom was "MAX NELSEN".

In referenced to Chicago letter dated 7/30/62, captioned "INSTITUTE FOR BIOPOLITICS", it was reflected that on 6/16/62, a meeting of the National States Rights Part had been held in Chicago, Illinois. This letter also stated that the meeting of the "INSTITUTE FOR BIOPOLITICS", also held in Chicago, Illinois, on 6/16/62, was one and the same meeting as the above mentioned NSRP meeting. This letter stated that Chicago files disclosed no evidence that an "INSTITUTE FOR BIOPOLITICS" actually existed as an organization, but that this was a "paper organization" formed by MAYNARD ORLANDO NELSEN and two other individuals for the purpose of providing an outlet for distribution of material prepared by them.

Birmingham files also reflect that on 2/6/64 an NSRP meeting was held in Chicago, Illinois, and that "MAX NELSEN" was one of the individuals present at the meeting at which Dr. EDWARD FIELDS, National Leader of the NSRP, was the principal speaker.

In reference to Chicago letter dated 3/31/64, it reflected that sources had advised that MAYNARD ORLANDO NELSEN, also known as MAX NELSEN, had in the past been known as the Illinois representative of the NSRP.

The brochure received by Mayor SEIBELS on page ten carries a picture bearing the heading "Democratic Nationalist Party", and page 16 of this brochure carries

BH 105-477

the heading "THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY" and as previously mentioned shows "M. NELSEN" as Secretary, with the return address being P. O. Box 1785, Chicago 90, Illinois.

In view of the above, Birmingham is taking no further action in this matter.

## OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

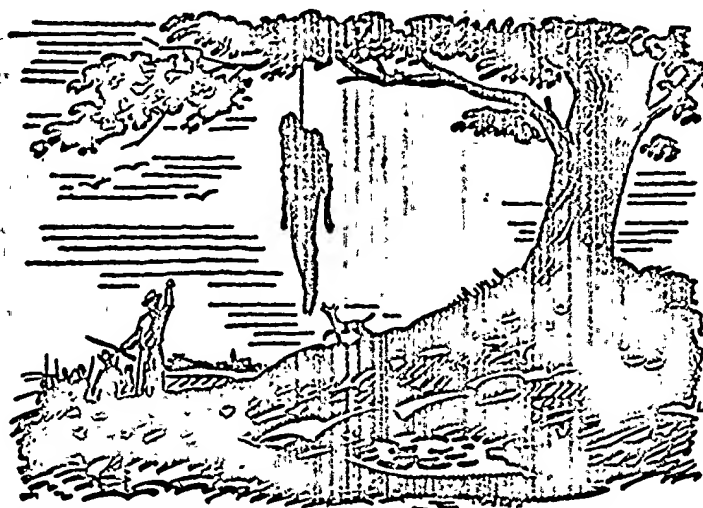

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation.

# DEATH! to the Traitors

It's time for old-fashioned  
American Justice

SAM ADAMS -- Patriot

This organization is named for Samuel Adams (1722-1803), American revolutionary patriot and statesman.

Various Committees of Public Safety functioned as executive bodies in the colonies before and during the Revolutionary War. The decision of the Committee of Public Safety, established by the second Provincial Congress of Massachusetts in February, 1775, to occupy Charlestown and Dorchester Heights, led to the Battle of Bunker Hill.

Sam Adams decisively influenced every important aspect of the pre-revolutionary struggle against Great Britain.

In the realm of practical politics, he promoted the formation of the Boston chapter of the Sons of Liberty.

He gained a reputation as a literary agitator and revolutionary ideologist.

The first pitched battle of the Revolution occurred when British troops, en route to Lexington to arrest Sam Adams, met the armed resistance of the local patriots.

The historian, John Hyde Preston, in his book entitled REVOLUTION 1776 has this to say of Sam Adams: "Samuel Adams has a much clearer claim than George Washington to the title of Father of His Country. Adams was the father, Washington the nurse. Adams conceived the infant, and Washington saved its life."

Preston goes on to say: "Samuel Adams was born with a rebel's soul; he had a genius for rebellion."

## THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

The answer lies in our education system and in our political system, both of which operate not only for the degradation of the White man, but the degradation of all races to a sub-human, animalistic level.

Our day educational system produces people who are stripped of all race-pride, moral courage, and filled with self-hatred and disgust. A two-year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public adult life as mental zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women... to bear the responsibilities of maintaining and furthering Western Civilization.

The vicious of these robots enter into our political system. They welcome every new act of individual self-degradation as a gain of honor.

Our parliamentary politicians hate Western Civilization, but they mean living to and maintaining the standards and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

.But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

**WE WILL FIGHT!**

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

WHITEMAN AWAKE!

... THE HOUR IS LATE!

## THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord

Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

**Communism  
and  
Race - Mixing  
are JEWISH**

## WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

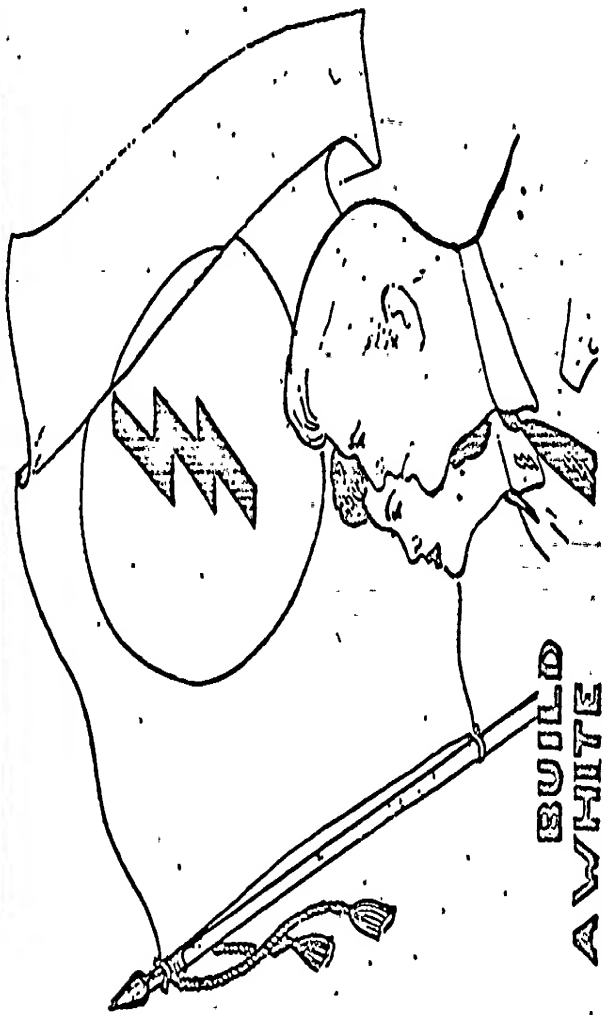

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

DEMOCRATIC NATIONALIST PARTY

BUILD  
A WHITE  
AMERICA

## RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

## FOLK -- IDEA -- NATION

### Delineation of the Nation:

1. We demand the union of all White folk of the North American Continent into a common Folk Community.
2. Only members of our White folk may be citizens of the Nation.
3. No Communist or Liberal may be a citizen of the Nation, because of advocacy of the mongrelization of our White folk.
4. No Humanist or Pacifist may be a citizen of the Nation, because of disloyalty to the Nation.

### Folk Policy:

5. The Government shall promote White folk integrity through the complete and officially enforced segregation of all non-Whites in the Nation.
6. We demand that all intermarriage between citizens of the Nation and non-Whites in the Nation be outlawed.
7. We demand the creation of a National Eugenics Commission to secure the ethnic future of our White folk.
8. Immigration shall be restricted to select White folk from lands of ethnic consanguinity.

### Civil Rights Policy:

9. All citizens of the Nation shall share equal duties and enjoy equal rights and privileges.
10. The right to vote on the Government and legislation of the Nation shall be the privilege of citizens of the Nation only.
11. Only citizens of the Nation may be candidates for public office, and be employed in departments and agencies of the national and local governments.
12. Only citizens of the Nation may engage in jurisprudence, and be eligible for court and jury duty.
13. Only citizens of the Nation may bear arms and serve as members of the armed forces of the Nation.
14. All persons engaged in activities of entertainment and educational and cultural expression must be citizens of the Nation.

### Economic Policy:

15. The workers, farmers, industrial and agricultural technicians, engineers, managers, and businessmen, as citizens of the Nation,

shall work together as a team and be represented by their own members in the Government ... they will subordinate their individual and group interests to the greater interests of their White folk as a whole.

16. The Government shall secure private enterprise by guaranteeing equality of economic opportunity for all citizens of the Nation.
17. We demand a fair price for both producer and consumer, and the safeguarding of both against speculation and profiteering.
18. As science increases the power to produce, we demand that the purchasing power of the consumer be raised proportionately.
19. The Government shall alone exercise its constitutional right to issue debt- and interest-free currency, based on the national production of goods and renderance of services.

#### Social Policy:

20. The Government shall secure the unending improvement of the health and living conditions of the citizens of the Nation.
21. We demand the total elimination of flood and dust-bowl conditions under a long-range program to conserve, utilize, and develop the water, soil, forest, mineral, and nuclear resources of our North American Continent.
22. We demand the development of proper recreational facilities for the White youth of the Nation, beginning with the establishment of youth centers in every community.
23. We demand the complete reorganization of our educational system, so that every individual citizen of the Nation is afforded full opportunity for self-expression, self-realization, and thorough integration into the life of his White folk Community.

#### Foreign Policy:

24. We demand that the sovereign interests of our Nation be secured by firm and sound bilateral diplomacy.
25. A strong and effective system of national defense shall be created to meet any international eventuality.
26. We demand the formal incorporation of Canada, Greenland, and the adjacent North Polar Regions into our Nation.

#### Political Policy:

27. We demand a reorganization of all governmental departments to eliminate duplication, waste, and corruption, and to insure efficiency, economy, and sound administration.
28. We demand the elimination of all ideology and influences from every phase of our political and cultural life which tend to cause the degeneration of our White folk Community.

For Whitefolk Salvation*

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action  
of the  
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

It was learned [redacted] Illinois NSRP leader, was in contact with [redacted] on Saturday night, January, 27, 1968. [redacted] if he would participate in a planned demonstration for Sunday, January 28, 1968. The plan would be to picket as many Catholic Churches as possible in Cicero and Berwyn, Illinois, on Sunday morning. [redacted] seems to be in charge of the operation. [redacted] is a member of the NSRP, CCB, and Operation Crescent. The plan calls for all interested to meet at the [redacted] in Cicero, Illinois, at 10:00 a.m. They will then break up into groups of three or four. [redacted] had lined up twenty persons for the project as of 7:00 p.m. Saturday night, January 27, 1968. The number of churches to be involved will depend on the turn out Sunday morning. Twenty people at three to four per church would mean five to seven churches. The plan calls for passing out of literature in opposition to the proposed bussing plan in regard to the Catholic Schools. [redacted] indicated the material had been printed only today (January 27, 1968) under the direction of CCB Head [redacted]. [redacted] seemed noncommittal regarding his help on the project. [redacted] also discussed plans for the coming year with the NSRP. [redacted] said he hopes to bring to Chicago in April of 1968 CONNIE LYNCH and [redacted]. Both are NSRP agitators. It is assumed they will travel as a team in 1968 while on the road. [redacted] intends this to be the start of NSRP activities in the Chicago area in 1968 regarding efforts to reach the general public. [redacted] says he would like to hold at least two meetings for Party regulars before LYNCH and [redacted] arrive. [redacted] will contact National Leader Dr. FIELDS within the week concerning his thoughts and a positive date. [redacted] would like to keep LYNCH and [redacted] in the Chicago area at least four days. In addition to a downtown mass meeting in a Chicago hotel, [redacted] hopes to rent a hall in Waukegan, Illinois, and somewhere on Chicago's southwest side for smaller meetings of local people. The downtown meeting would be primarily for the Party faithful who receive the state wide Party publication the "Prairie Fire". The other meeting would be designed for non-NSRP people in the area. Direct mail and passing of literature on the meeting would bring out the area people. [redacted] also stressed that having CONNIE LYNCH back in Chicago for the Democratic Convention would be a must.

In late September, 1967, [ ] was considering going to Milwaukee, but he had not made a definite decision.

At this time the NSRP in Chicago amounted to about 15 members, was in poor financial condition, had no office space and the local NSRP newspaper had not been printed in four months because of lack of funds. The activities of the NSRP in Chicago, with whom [ ] associated, consisted almost completely of individual contacts between members.

On October 10, 1967, Dr. EDWARD FIELDS of the national organization of the NSRP met in Chicago with [ ] and several other Chicago area NSRP members. They conferred at the Pick-Congress Hotel, Chicago, during the afternoon.

Later on October 10, 1967, the Midwest Conference of the NSRP was held at the Pick Congress Hotel, Chicago. There were 68 members present, by invitation only. The discussion concerned the "Negro rebellion, right wing unity and NSRP organizational plans." [ ] was introduced under the name of [ ] as the Illinois State Chairman of the NSRP.

Dr. FIELDS spoke for about 30 minutes. Following the meeting he met socially with [ ] and several others.

In late October, 1967, it was learned that [ ] was carrying on his person a .38 caliber Smith and Wesson revolver. He carried it in the inside pocket of his suit coat and apparently carried it at all times.

Source learned that in early November, 1967, [ ] and six of his friends from Chicago attended a gun sale and meeting of the Little Fort Gun Collectors Association, Waukegan, Illinois. [ ] was looking for a small handgun for his wife. The NSRP had been inactive recently and consisted solely of personal contacts between members.

On December 5, 1967, Bogan City College, 3939 West 79th Street, Chicago, held a "Great Debate" with individuals representing different viewpoints in race relations. [ ] using the name of [ ] was one of the panel members who represented a conservative white power view.

(CG T-1, 12/7/67)

Source learned that shortly after Christmas, 1967, [ ] was in contact with [ ] a Chicago attorney, who allegedly has contacts with the National Knights of the Ku Klux Klan. [ ] was interested in obtaining information regarding [ ] a Chicago Police Officer who was suspended in late 1967 after he admitted being the head of the National Knights of the Ku Klux Klan in Illinois.

See appendix for characterization of the National Knights of the Ku Klux Klan.

Source learned that on December 26 and 27, 1967, Dr. EDWARD FIELDS and his wife visited in Chicago. During the evening of December 26, 1967, they and several other members of the NSRP visited in the home of [ ] Most of the discussion regarded the NSRP and the belief that interest in this organization would increase in the summer of 1968 with the rise of black power factions.

(CG T-1, 12/67)

Source learned that in late January, 1968, [ ] had said that he had not been in contact with any leaders of the NSRP in the past month. He indicated that the NSRP was relatively

inactive in the Chicago area. [ ] said that he was considering moving his family to California. He said that if he should do so he would first contact Dr. FIELDS of national headquarters in order to contact NSRP leaders in California.

(CG T-1, 1/68)

On March 6, 1968, source advised that there was no reported activity by [ ] in the NSRP at this time, and the entire organization was inactive in the Chicago area due to lack of finances and effective leadership.

(CG T-1, 3/6/68)

A source, who is associated with an agency which collects intelligence type information in the Chicago area, advised that there was no indication the NSRP was functioning as a formal organization at this time. Their office has been closed and they apparently are in financial trouble. There appears to be differences of opinions among the leadership which affect the operation of the organization.

As Milwaukee is aware, the NSRP is opposed to all "race mixing", is anti-semitic and their publications publish articles attacking Negroes and persons of the Jewish faith.

On April 14, 1968, [ ] advised [ ] member of Chicago Branch of NSRP, indicated he and other NSRP members from Chicago, are considering purchase of 300 acres of land in Wisconsin. Purpose would be to have "safe place" for Chicago NSRP members to "target practice".

On Thursday, March 21, 1968, a meeting of Wallace for President supporters was held at the Holiday Inn at O'Hare Field. The meeting was held in the International Room of the motel. The room is able to hold 100 people with ease but over 150 crowded the room and the hall outside. A smaller room with capacity of 50 had been reserved but by the 8:00 p.m. starting time the crowd had overflowed the room and they were moved downstairs to the larger International Room. It was learned that on Sunday, March 17, 1968, [redacted] Chicago NSRP organizer, and two other NSRP members, [redacted] travelled by automobile to Wisconsin. They left Wood Dale, Illinois, at 5:45 AM in [redacted]'s auto and returned to Wood Dale about 9:45 PM that evening.

The purpose of the trip was to locate a suitable track of land for a group of NSRP members to purchase. The above mentioned have expressed interest in the plan. [redacted] also appear interested.

[redacted] has purchased a group of Geological Survey, Department of the Interior, maps of the area in question. The area being considered is in Grant County Wisconsin. This is the south-western most county in Wisconsin. It is bordered on the south by Illinois, on the west by the Mississippi, on the north by the Wisconsin River and on the east by about 90°:30" west longitude. Wisconsin state highway 80 runs north and south near the east end of the county.

On Sunday, the group looked at two locations that [redacted] had located on the maps that looked good to him. Both were about one mile north of U.S. Highway 18. One location was about one mile east of the intersection of U.S. 18 and Wisconsin 132. The other location was about three miles west of that intersection. The first location will be found on the Geological Survey map titled "Mount Hope". The latter location will be found on the map titled "Bloomington". Each map was compiled in 1962 and each map is a 7½' quadrangle. The group was unable to determine who owned the property in question. The first location described above covered about 150 acres and the latter location described above covered about double that, namely near 300 acres. Both featured a valley enclosed on three sides by hills 200 to 400 feet above the valley floor. A type of box canyon with only one end open. A small stream flowed down the center of the valley.

[redacted] now intends to contact the county recorder in the county seat of Grant County, Wisconsin, Lancaster, Wisconsin. He intends to learn the identity of the owners of the property in an effort to purchase the land from them. The group intends to raise \$1,000 to \$2,000 on the project with at least 100 acres being purchased. They intend to purchase aerial photographs of the area at a later date.

It was stated also by [redacted] of Evanston, Illinois, and Rev. [redacted] of Chicago had stated they would assume leadership of a Chicago chapter of the NSRP. [redacted] stated he would be the third officer. Three officers are needed. A chapter leader, and secretary-treasurer and a sergeant-at-arms. [redacted] was then asked to sign a form [redacted] had prepared. It was a request for a chapter OK from national headquarters. All three above-named were to sign as the three officers of the potential chapter and [redacted] was to sign his OK as Illinois State Chairman of the NSRP. [redacted] would not sign stating he had not been the "active" state chairman for a year. [redacted] countered that national headquarters still assumed him to be the state chairman. [redacted] agreed but said it was in name only and he flatly refused to sign the document. [redacted] was upset by this turn of events. It was then decided a bookstore must be obtained at once for the summer's activities. [redacted] was told to contact people likely to donate a monthly amount for the bookstore. All present pledged \$10 per month for the next 12 months, with five men present that made a \$50 per month pledge. Later Sunday it was learned [redacted] reached [redacted] who had wanted to be at the meeting but [redacted] said he got lost enroute by public transportation. [redacted] stated he and [redacted] would donate \$10 per month each. That made \$70. [redacted] was contacted and pledged \$10 per month. [redacted] pledged \$3 per month. [redacted] and his brother of Cicero, Illinois, were contacted and each pledged \$10 per month. That brought the total pledged to \$103 per month. On Tuesday evening [redacted] contacted [redacted] stated he did not want a bookstore till after the November elections. [redacted] stated maintaining control of the WALLACE machinery in Illinois was most important. [redacted] states a list of 50,000 to 100,000 people can be obtained if control of this committee is maintained.

[ ] feels that obtaining a bookstore will simply make more work for him. [ ] asked why he had been asked to contact people if they did not intend to get a bookstore. [ ] had no comment. At the Sunday meeting [ ] indicated they had met with [ ] on Saturday afternoon March 9, 1968. [ ] had said he wanted to meet with [ ] to try to either join forces or coordinate with NSRP and KKK. It is obvious that [ ] to believe that [ ] was the man in charge in Illinois and the man to see. [ ] stated that [ ] had received a certified letter from the Little Fort Gun Club that in effect said [ ] was persona non grata. In fact the letter stated his membership had been revoked and went so far as to say he would not even be admitted as a guest to the gun sales.

It was learned [ ] tried to reach [ ] by telephone on Monday evening March 11, 1968. His mother answered. She stated: [ ] is out again tonight. I hope he gets home early tonight. He was out all night last night and didn't even go to work today". Mrs. [ ] did not say where [ ] had been or what she meant by "out all night". It has been determined that after [ ] left the [ ] home about 6:00 P.M. on March 10, 1968, he drove to the home of [ ] at [ ] in Riverdale, Illinois. He was still there at 8:00 PM. [ ] Monday night and joked about his keeping [ ] out all night so he can't even go to work". [ ] made no comment on the statement by [ ] did not pursue the issue. On Tuesday evening March 12, 1968, [ ] spoke by phone and [ ] again joked about becoming a "hippie and staying home from work". [ ] made no comment on why he was home from work or why he was out so late Sunday night. Again [ ] did not pursue the issue.

It has been learned [ ]

[ ] have all shown interest in the purchase of land in the SW portion of Wisconsin. This would be west of Madison and south of LaCrosse near the Mississippi River. Vacant land sells for \$10 to \$20 an acre in the area. The plan would be to deed the land in each parties name but buy adjacent land. Together they would buy from 100 to perhaps up to 400 acres. Each would have 15 to 50 acres at a cost per person of about \$200 to perhaps \$500.

The land would be used as an area to sue the weapons of the various members and as a so-called "safe area" in the time of danger. It was learned several of the above named people intend to drive up to the area on Sunday, March 17, 1968, to inspect various sights.

It was also learned [redacted] will attend the Thursday night, March 14, 1968, meeting of the CCB at Hawthorne Community House, 29th Place and Laramie in Cicero. It will start at 8 PM.

March 6, 1968

It was learned that on Sunday, March 3, 1968, [redacted] picked up NSRP Illinois Party leader ROY [redacted] at the latter's home address in Berwyn, Illinois. They first went to the home of NSRP member [redacted] at [redacted] in Melrose Park, Illinois, 60160. The home is a modest older (25 years) frame home in the \$12,000 range.

b6  
b7C  
b7D

[redacted] arrived in [redacted] car about 2:00 PM. [redacted] had various NSRP literature for [redacted] who was going to attend an area anti-bussing meeting that afternoon. Among the material [redacted] gave to [redacted] was the NSRP hand bill titled "Nigger-Ape sheet" and others. [redacted] spent about 30 minutes at the [redacted] home. [redacted] has a German police dog that is extremely vicious and dangerous to all strangers. While in the [redacted] home he proudly displayed "a portion" of his "arsenal." He displayed a "38" revolver. He indicated this weapon always remains loaded and kept in the upper left hand desk drawer. The desk sits in the SE corner of the living room and [redacted] says it gives him a good view of the front entrance walk. [redacted] also produced another fully loaded hand gun he claims to keep in his bedroom on his headboard. The make of this gun or information on it was not obtained. [redacted] also displayed a 357 Magnum hand gun. He also showed two "long guns". One a shotgun that was new and valued at \$165. He also displayed a high-powered 30-06 rifle complete with very high-power scope. [redacted] stated it was a special scope for night shooting also. The scope was worth about \$60 he indicated. SIMPSON stated he had so much ammo the whole block would go if he ever had a fire. [redacted]

He states he had KKK connections while living in Kentucky. It is not known the exact date of his arrival in the Chicago area, 1960-1964, seems most likely. It appears he has grown children. On Sunday, December 17, 1967, he was seen completing a KKK application form for one [redacted] at the home of Reverend [redacted] in Chicago, Illinois.

It is not known if he paid his membership dues or ever saw [ ] again. [ ] has indicated he is a demolition expert. It is not known if he served in World War II, but it would appear [ ] would have been at least [ ] at the outbreak of American involvement in the conflict. [ ] first appeared at an NSRP rally on Saturday, October 7, 1968, at the Pick Congress Hotel in Chicago, Illinois. Dr. EDWARD R. FIELDS addressed that meeting. Reverend [ ] to that meeting and signed him up as a member. [ ] has since attended Cook County Wallace for President Committee meetings and is a member of the NSRP dominated and controlled group. It appears [ ] have known each other for some time.

b6  
b7C  
b7D

[ ] left the [ ] home at about 2:30 PM and traveled to the home of [ ] in Chicago, Illinois.

[ ] for two hours from 3:00 PM to 5:00 PM. They discussed plans to send a Negro family to Monrovia, Liberia. This would be done with help from national NSRP headquarters. They estimated cost per person would run about \$400. It would be for national press attention only with no hope of continuing the project beyond one family. [ ] suggested copies of the NSRP publication the "Thunderbolt" be sent to all barber shops and dentist offices in white sections of the Chicagoland area. [ ] thought it was a good plan and indicated he would start on that project soon. [ ] further indicated that national headquarters had recently "hit" everyone in Quincy, Illinois, with a copy of the "Thunderbolt" newspaper. He indicated this is not uncommon when they find themselves with an over-supply of a certain issue. [ ] stated response had been good to the project. [ ] further stated that he had been busy sending at random, copies of the current February, 1968, issue to Lockport, Illinois. Response had been poor he stated. It was learned that the last complete Illinois list of NSRP members and "Thunderbolt" subscribers and NSRP backers was obtained by [ ] in summer of 1966. It was further learned he had been given complete liberty to scan the list and had done the work himself, of making the list directly from the master "roll". It was agreed

b6  
b7C

it would take a trip to Party headquarters and a similar task to obtain an updated list. The possibility of all three men, [redacted] making the trip was discussed. [redacted] stated his wife had said it was all right. [redacted] stated he did not know if he could get the time off work. [redacted] again was not clear if he desired company on such a trip or preferred to go alone.

[redacted] again made clear his inability to aid the Party in Illinois. One year ago in February, 1967 [redacted] made clear to most Illinois hard-core Party members that he could no longer spare the time and effort to continue his part of Illinois State chairman. There seems to be some confusion as to if Party headquarters was ever so notified. In any event during the past years [redacted] has done little but maintain contact with hard-core Illinois Party members. He did not attend the national convention last August.

[redacted] then went to the [redacted] apartment at [redacted] in Chicago, Illinois. [redacted] remains without a telephone. It was turned off for non-pay. The purpose of the visit was to try to convince [redacted] he should not contact NSRP Party members for funds or support for the book store opened recently by [redacted] and [redacted]. The discussion became heated and [redacted] soon became silent. [redacted] finally ordered [redacted] out of the house. Within the past ten days [redacted] has contacted NSRP members [redacted] then drove [redacted] back to his Berwyn address about 8:00 PM. During their drive [redacted] indicated they had lived there since August of 1965, being forced to move because their old home was [redacted].

[redacted] also stated he had received a traffic citation at Wells and Congress Express on Thursday evening, February 29, 1968, at 8:00 PM for violation of 27-214B (Improper left hand turn). The ticket was made out to [redacted] auto displays [redacted]. His father's car displays the plate DN-745. They remain with the same cars as last year.

It was learned [ ] has been thinking of joining the KKK as headed by [ ] in Illinois. (B) WHITE MILITANT GROUPS - RACIAL MATTERS.

(ORGANIZATION) -- In view of increasing militancy in the racial field, neighborhood groups whose members are of the white race, have been springing up throughout the United States. Some of these groups appear to be militant in nature and some urge the white man to arm himself as a means of protection against racial violence. Some of these groups are known to sponsor demonstrations against integration and against the bussing of Negro students to white schools. Others appear to advocate more violent methods of opposition to integration. The appearance of these groups is noted mostly in the white ghetto areas of the large cities which border on minority group living areas.

In order to fulfill our responsibilities in the racial intelligence field we must be cognizant of the groups and their aims and purposes. Upon receipt of information as to the formation or existence of such a group, a preliminary investigation should be immediately initiated to determine the aims and purposes of the organization, its leaders, approximate membership, as well as any pertinent background data which will assist in determining the militancy of the group.

From information presently available, it appears that many of these organizations have been founded on principles of fear rather than hate and as such, they cannot be classified as hate groups. Your investigations should, therefore, be discreet and most circumspect. You should limit your inquiries to a review of Bureau files, contacts with Bureau informants, and established sources, and the use of public source information.

Upon completion of your investigations, a communication in form suitable for dissemination should be forwarded to the Bureau together with a recommendation as to whether additional investigation is warranted under Section 122A of the Manual of Instructions as it pertains to the investigation of Klan and white hate groups.

In addition to the above, I wish to point out to you the possibility of reactions by the Klan, white hate groups, and residents of white ghetto areas to the recent wave of racial disorders resulting from the assassination of Martin Luther King, Jr. You should remain alert to this possibility. Informant coverage of the Klan, white hate groups, and white ghetto areas must be intensified so that plans of retaliation or overt action are known to the Bureau prior to their taking place.
